STUDENT LIFE

SCHOOL

On September 7th, 1980 Harding had its annual picnic. The 7th, 8th, and 9th graders stayed on the campus for their picnic. However the 10th, 11th, and 12th graders walked over to Audubon for their fun-filled picnic day. There were football games and frisbee throws, drinking cokes and just plain old munching out. Sponsored by the Student Council, the picnic was a great success.

The acting class presented Aurand Harris' "A Toby Show", on August 29. Later in the year the play was presented to the Memphis Crippled Children's Home and at the Booster Carnival. Toby shows were popular in the early twentieth century as a part of traveling vauderville companies. The shows took the name "Toby" from the bumbling character who appeared in every story. In the Harding production, Toby retold the story of Cinderella.

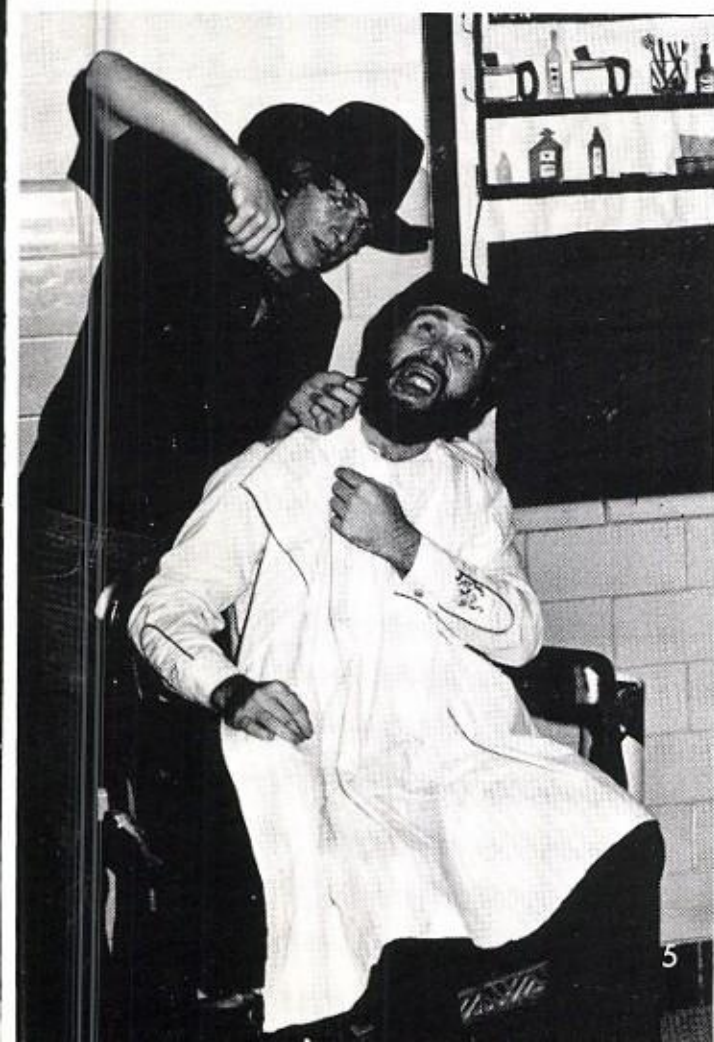

HOMECOMING - 1980 STYLE

Homecoming week, 1980 was the most spirited ever. Everyone got a feeling of unity that helped carry us through the rest of the year. Since the theme this year was Western, two of the dress-up days followed traditional Western ideas — Cowboy and Indian Day and Urban Cowboy Day. But our third dress-up day was a concession to the people who do not dress Western — Preppie Day. Everyone's favorite day was Spirit Day when they wore jeans and t-shirts and the Seniors displayed their long-awaited Senior jerseys. The pep rally was a big success with the Sophomores putting it all together to win the Spirit stick. When half-time at the game arrived, everyone was eager to hear the winner of the overall competition. There were screams and tears of happiness (and relief) when they announced that the mighty class of '81 had been victorious. All in all, everyone enjoyed a very exciting week.

Some of these booths sold food including doughnuts, pizza, and even cotton candy, while others sold rides on everything from go carts to hay rides to miniature horses. Besides raising money, the carnival offered fun for everyone.

Of Thee I Sing

On November 20, 21, and 22, Harding's theatre presented **Of Thee I Sing**. It is a musical comedy spoof on life in the political ring. John P. Wintergreen, alias Gary Beck, married Mary Turner for a campaign on

love. A beauty contest is held in order to find the most beautiful girl in the world. The winner was Diana Deaveroux, but Wintergreen fell in love with Mary because of her wonderful corn muffins. The story continues with the campaign, inauguration, and life in the White House. The play was well attended all three nights.

Are Preps Going Western?

On the fashion stage this year the Western look has taken the main role. The Western look has given the Prep look a great challenge. The Preps, in their top siders, Polo shirts, and Izod sweaters have met up with boots, flannel shirts, Levi's and cowboy hats. It's not uncommon though to see a person wearing a mixture of the two looks. The question still remains "Are Preps Going Western?"

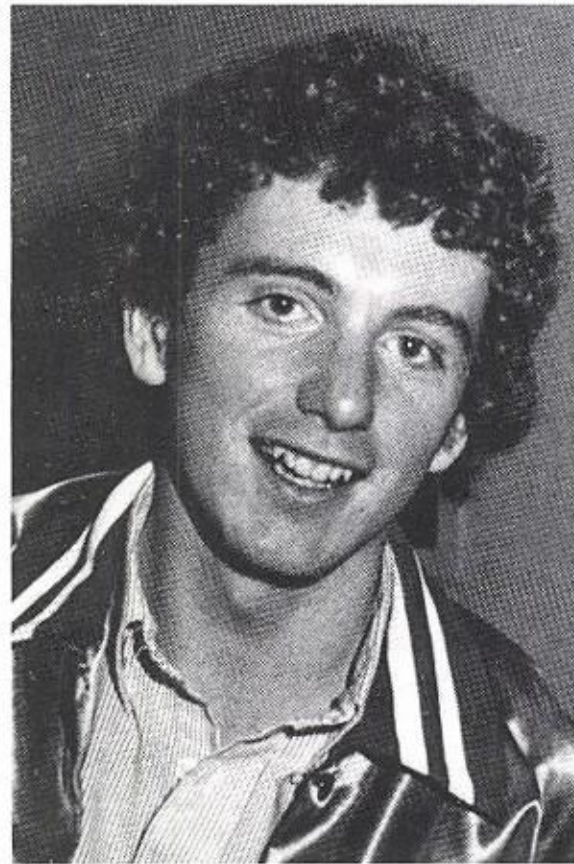

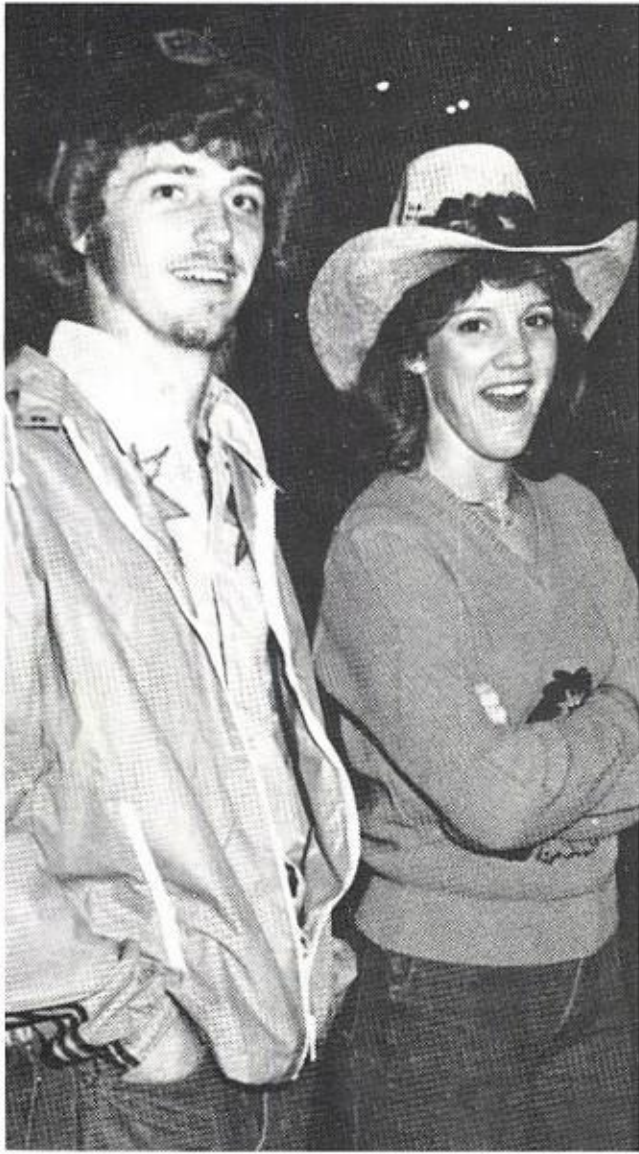

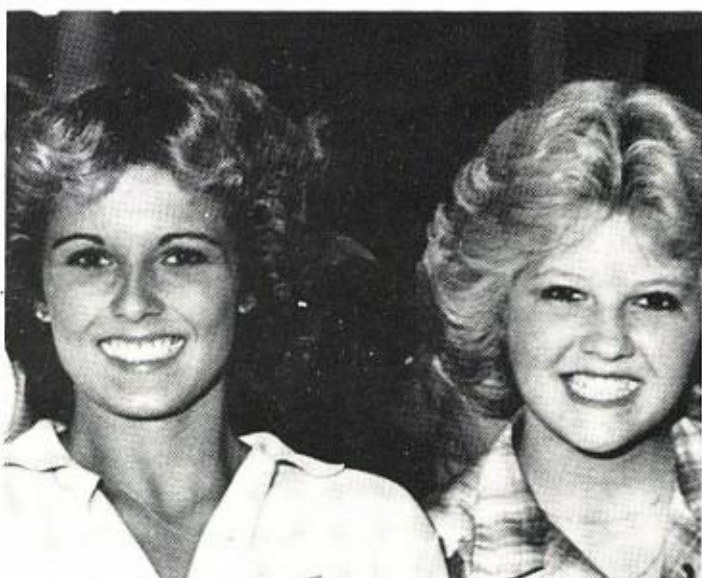

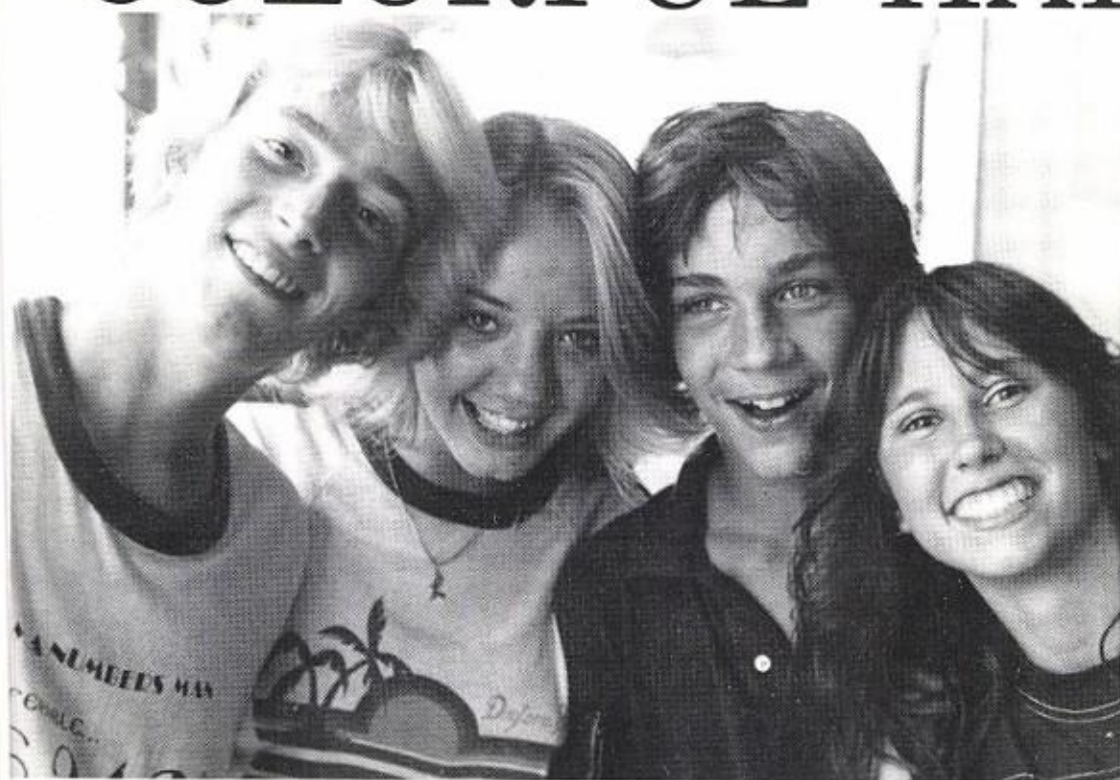

OPPOSITE PAGE: 1. Stanley Tines shows us his gator sweater. 2. Prep girls give us a look at what's in. 3. A few of the fashionable shoes. 4. Magazines show us the very latest styles.

COLORFUL HAPPENINGS

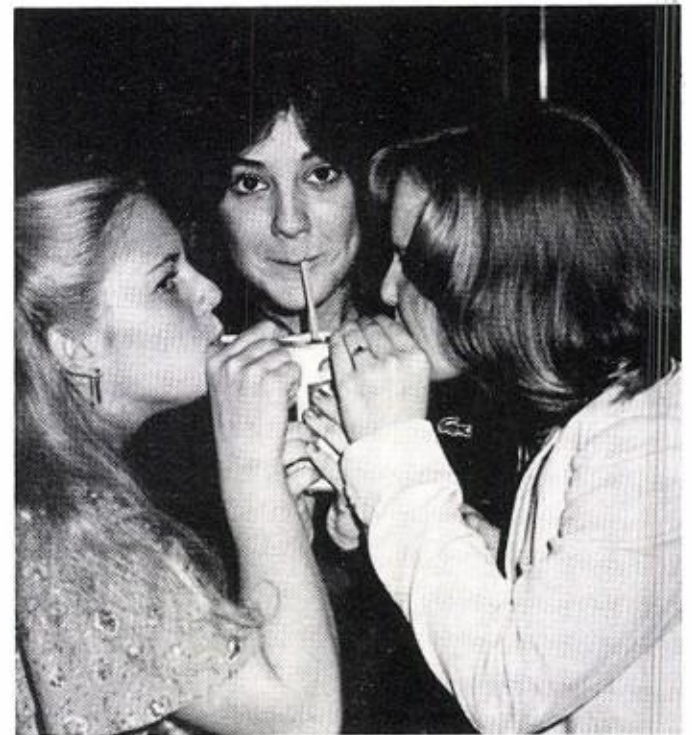

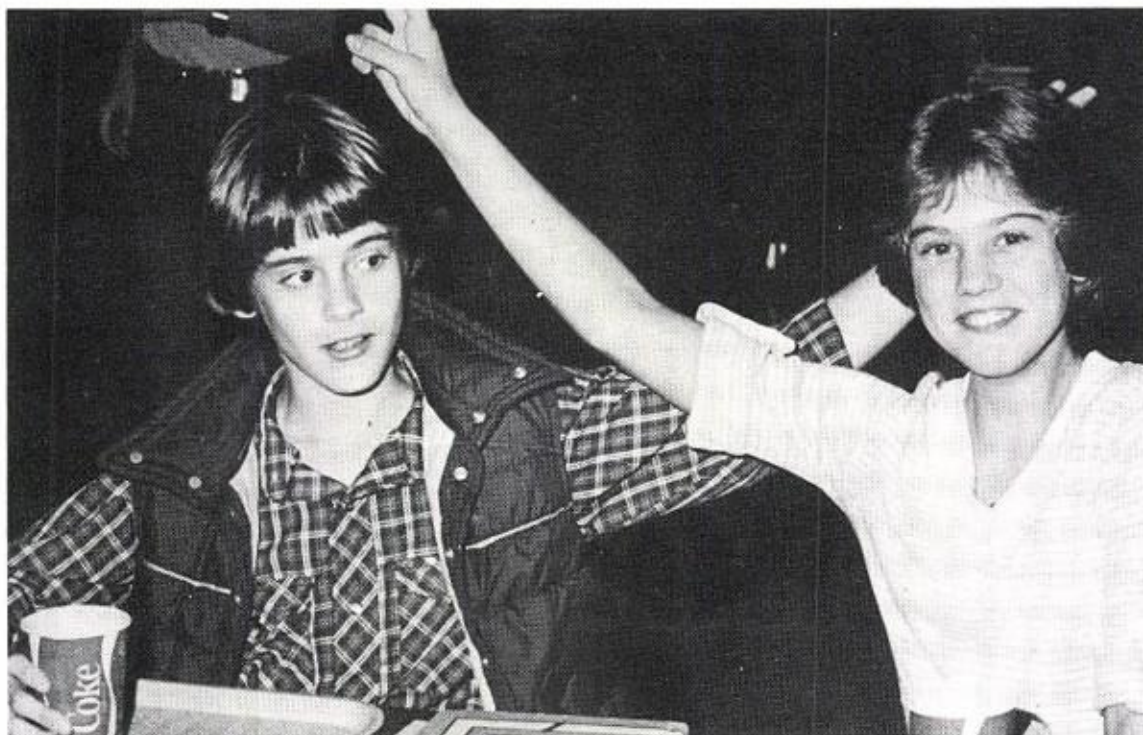

COLORFUL HAPPENINGS

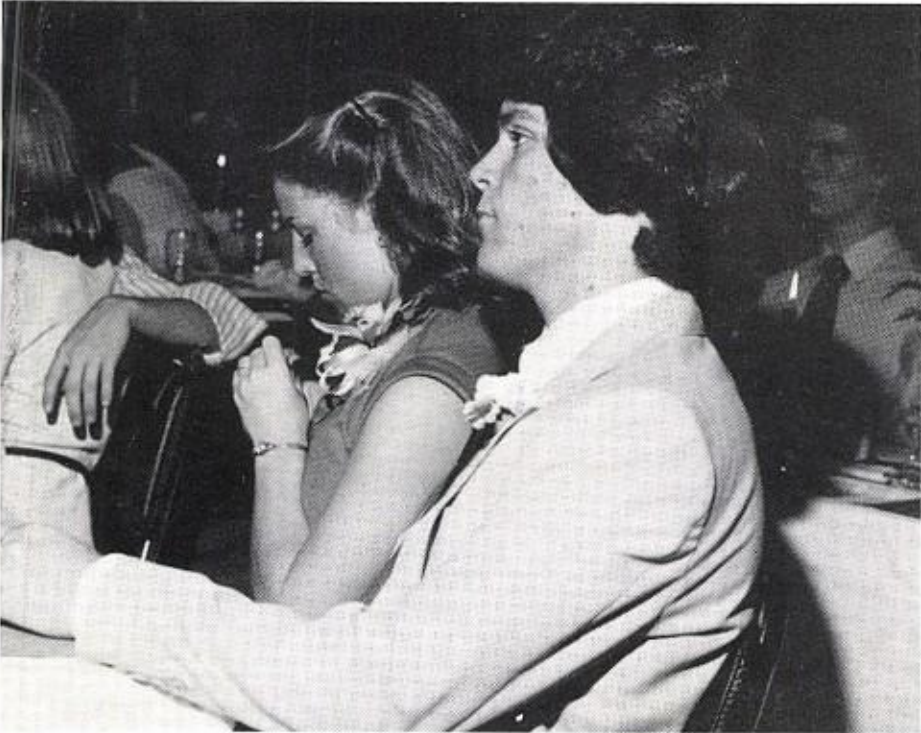

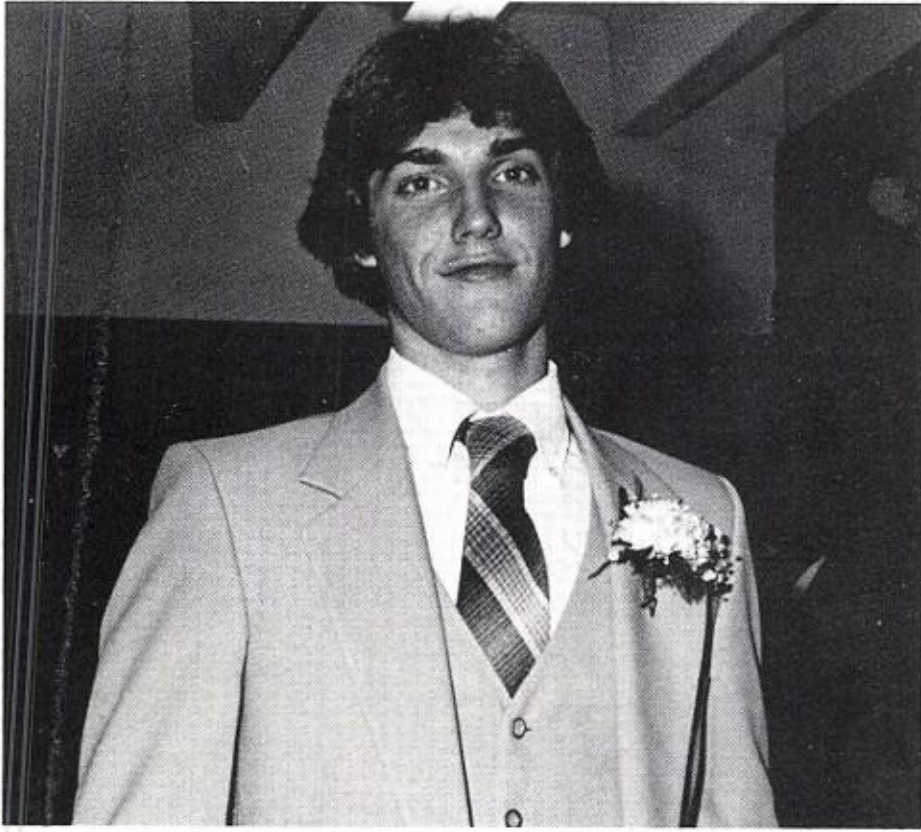

LUNCH

The lunchroom is an important part of every student's life. It is also used for many banquets at our school. There is a big conversion from a rowdy lunchroom to a formal banquet. Our lunchroom is used for fun and fellowship during a regular school day and also on a formal night.

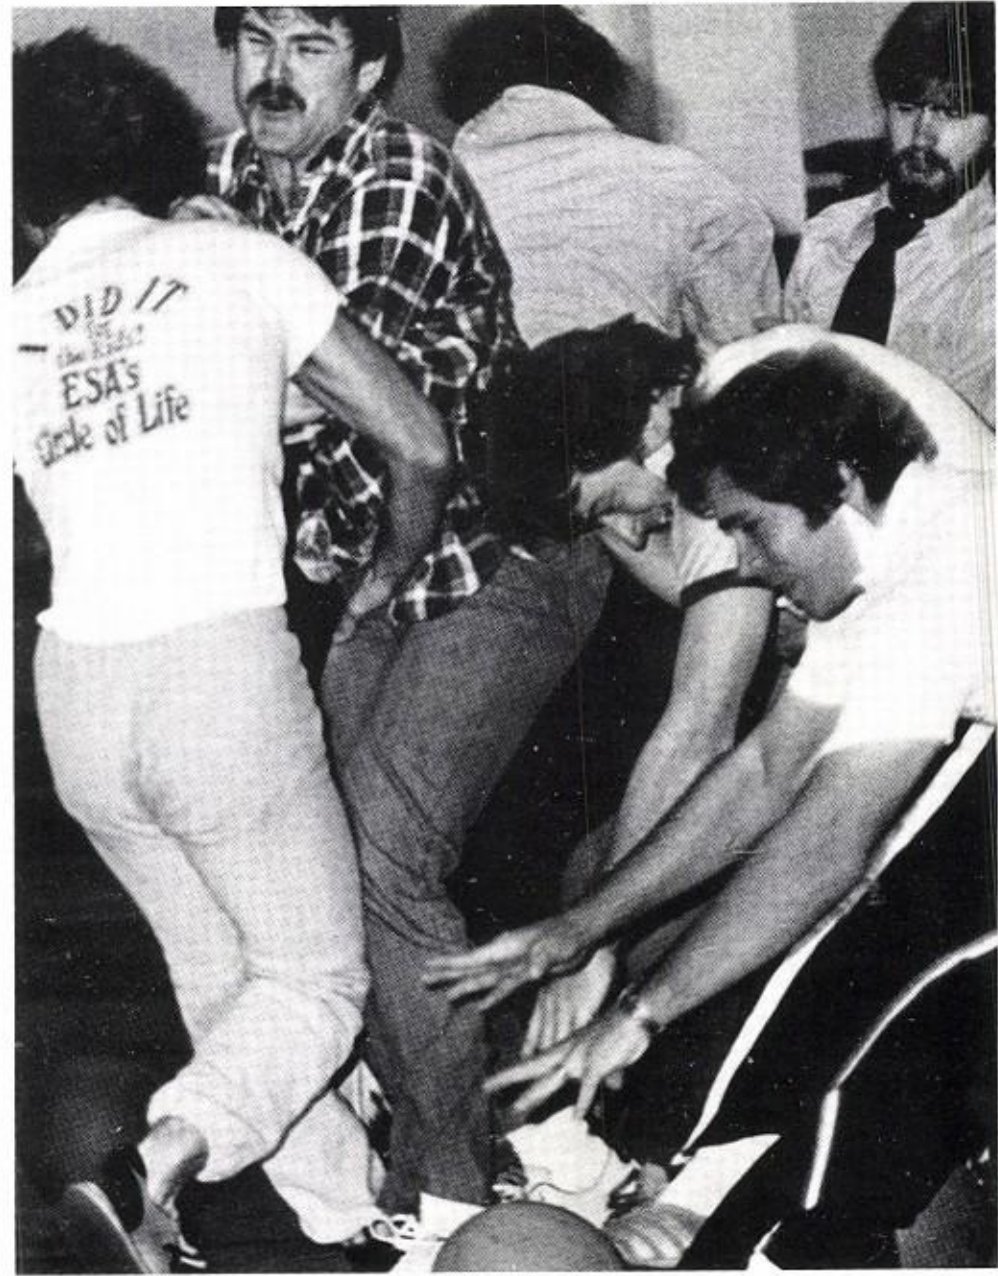

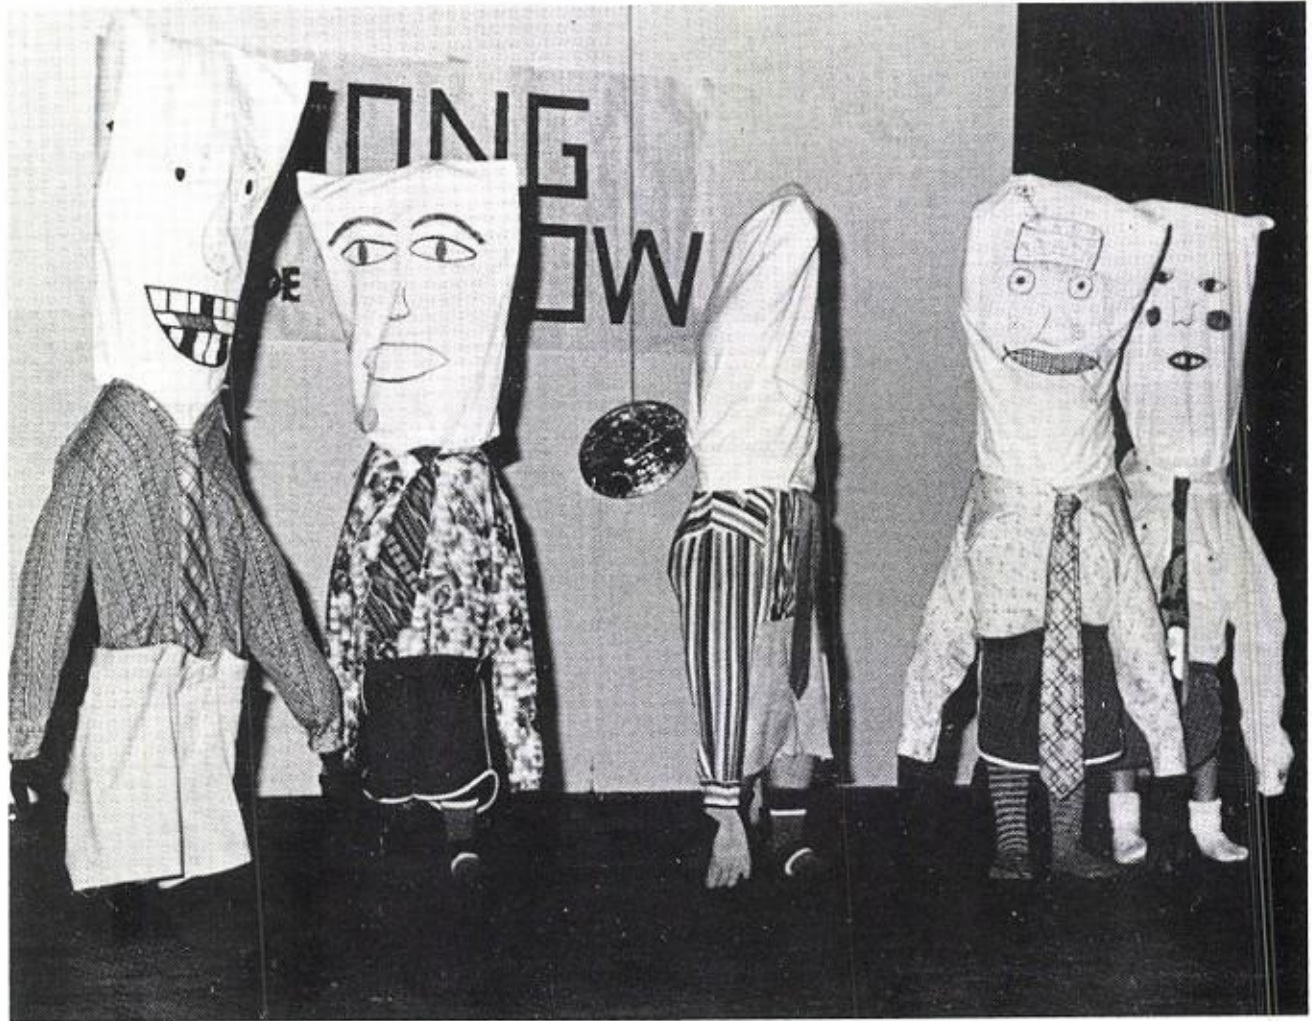

BANQUETS

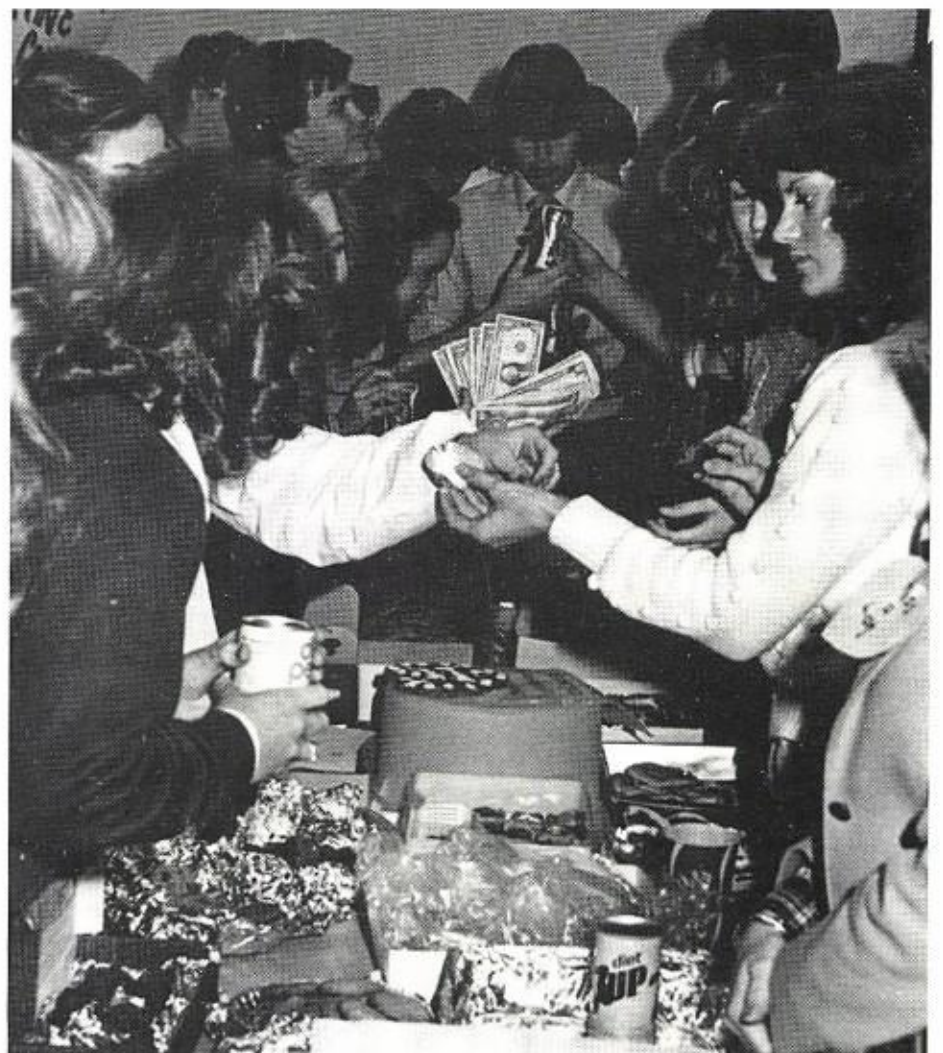

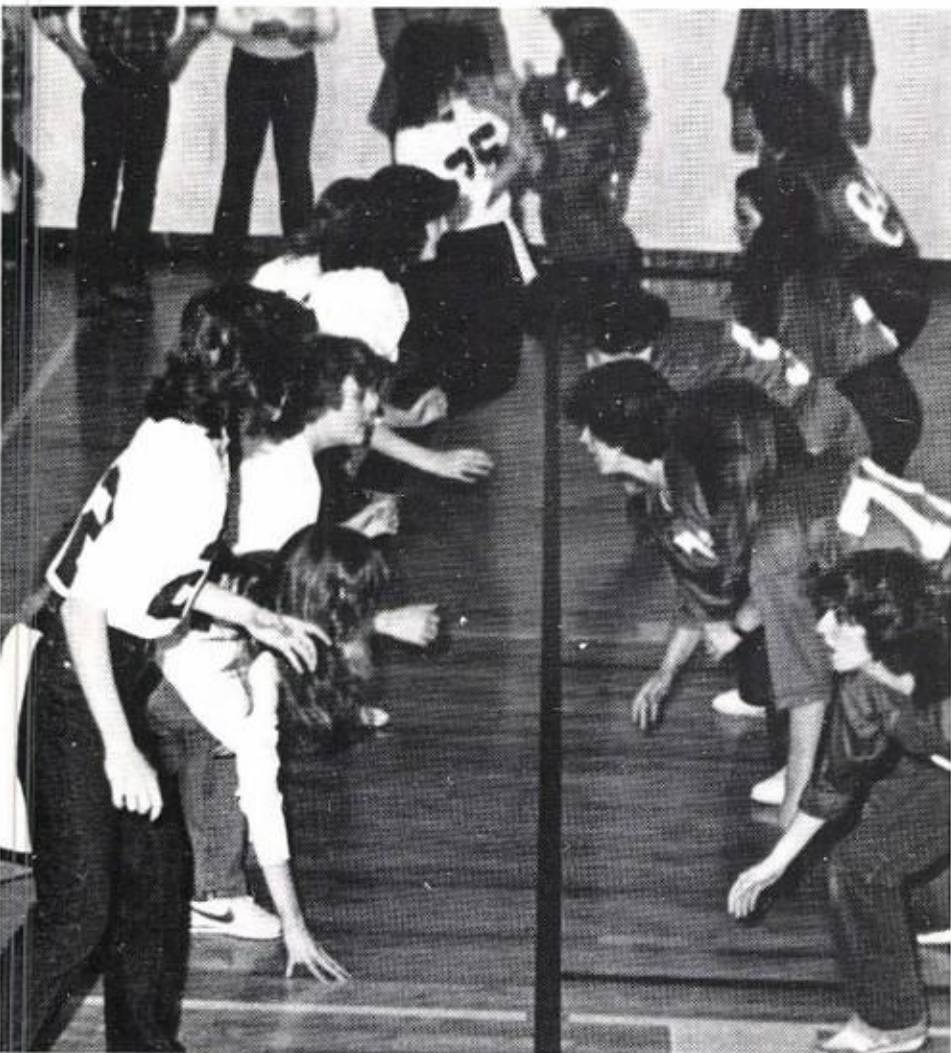

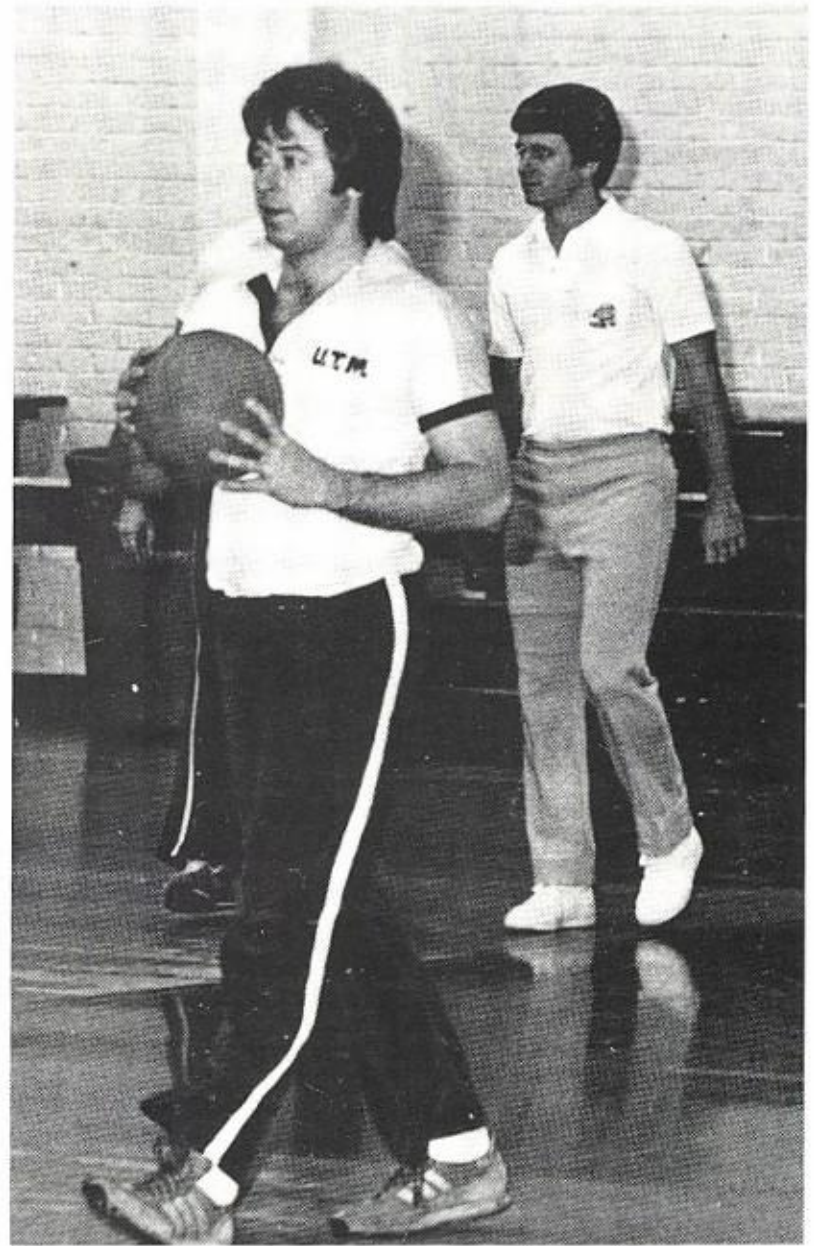

KING AND QUEEN OF HEARTS

During the week of February 9-13, the annual King and Queen of Hearts activities were celebrated. The classes were in competition with each other, trying to raise the most money. The junior high classes also competed in money raising, trying to have their prince and princess crowned. Included in the money-raising projects were bake sales, competitive sports between students and teachers, "val-o-grams," personalized cookies, and a teachers' luncheon. When all the craziness subsided and the money count was made, the seniors had captured the King and Queen titles and the eighth grade candidates ruled the junior high. The money raised each year is used in some project to help the school.

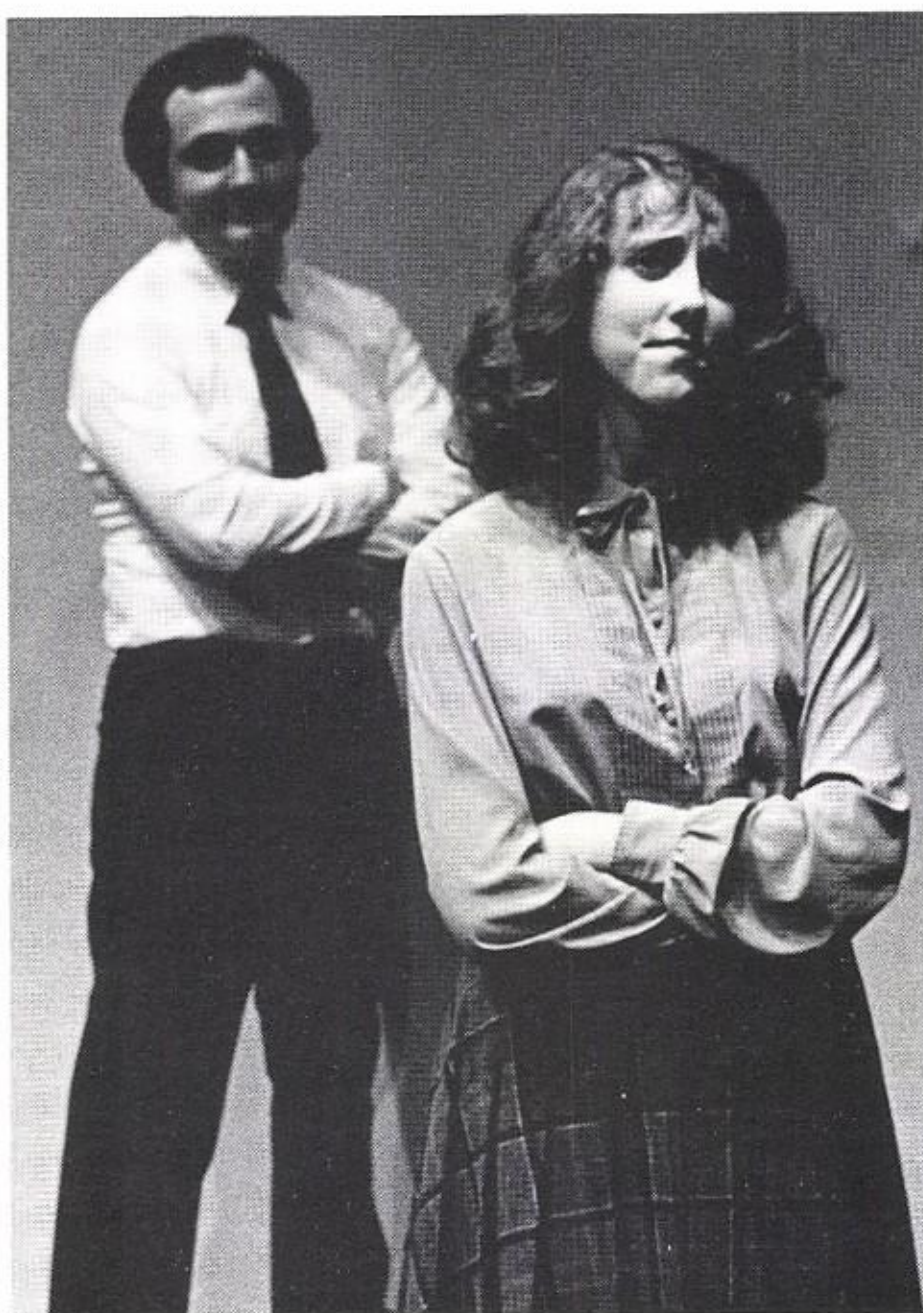

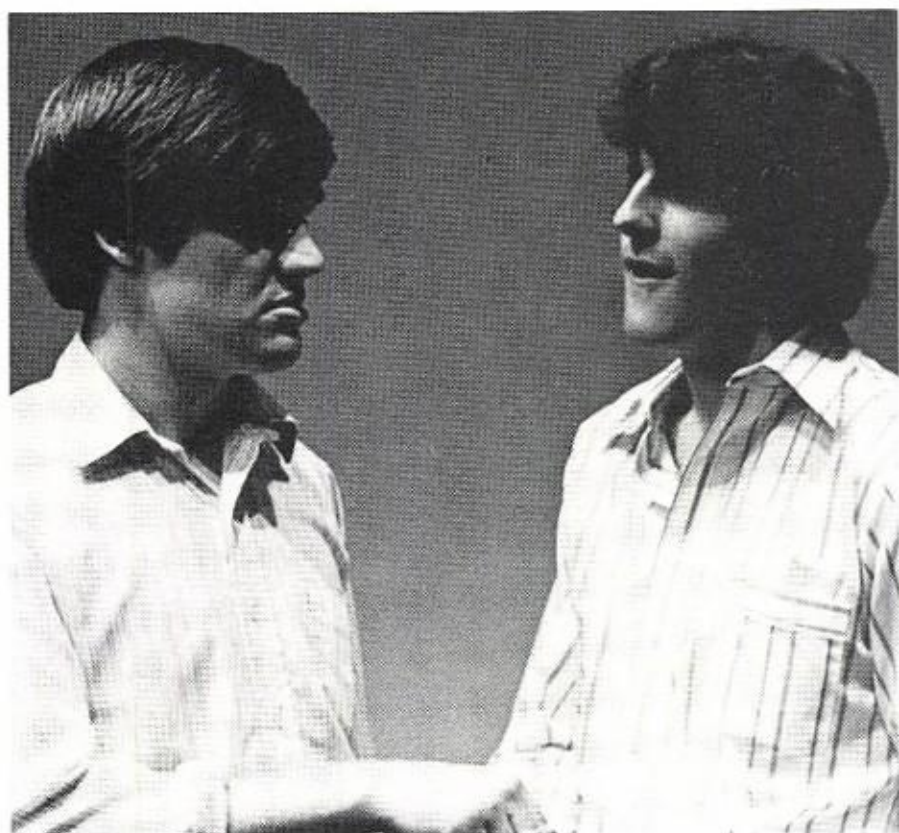

CLASSES UNITE

THE PONDER HEART

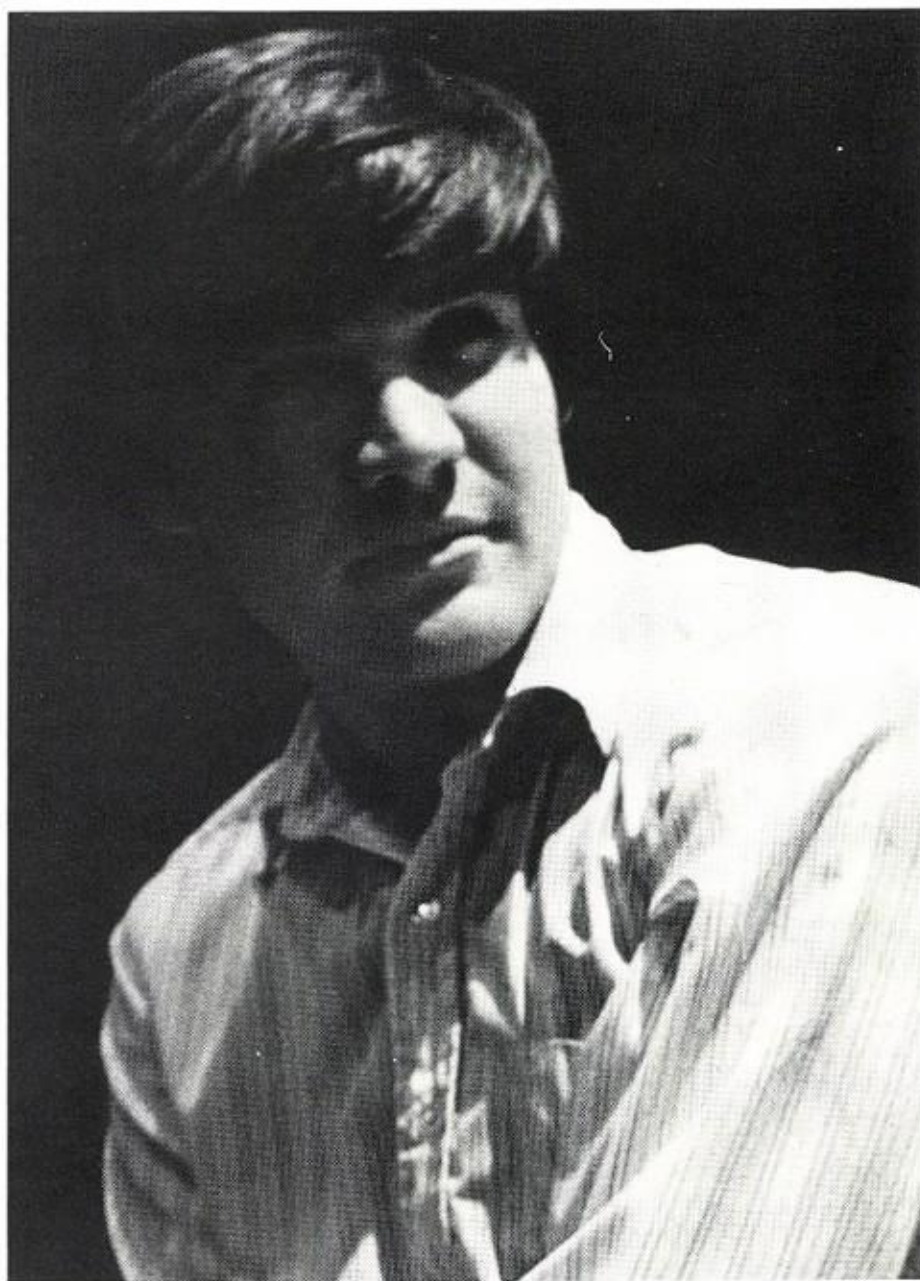

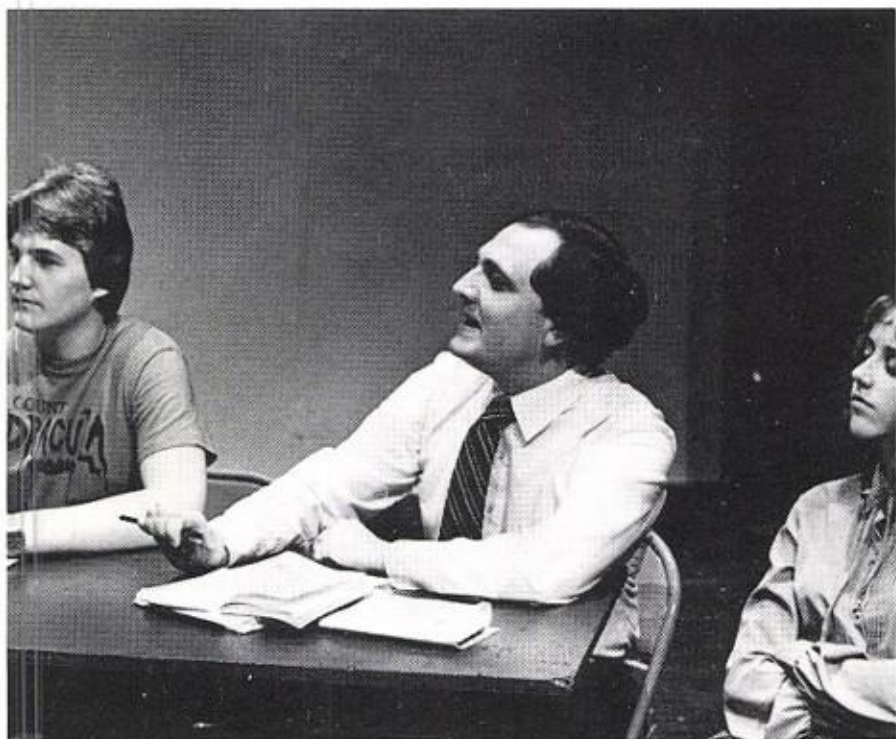

On March 5, 6, and 7, Harding's theatre presented **The Ponder Heart**. The play centers around the big-hearted Daniel Ponder, alias Mr. Michael Semore, who delighted in providing simple pleasure for those about him. One day he installed current so that his child bride could see the gimmicks work, and a lightning bolt hit the living room. Everyone in town knew that Bonnie Dee Ponder's weak heart succumbed to fright except her simple-minded family and lawyer. The play was a great success.

The Rainbow

. . . And there was a rainbow
around about the throne, in sight
like unto an emerald.

Revelation 4:3b

Keep your face with sunshine lit,
Laugh a little bit!
Gloomy shadows oft will flit,
If you have the wit and grit
Just to laugh a little bit!

J. B. Cook

Memories light the corners of my mind.
Misty water color memories of the way
we were.

A. and M. Bergman

Look to this Day

Yesterday is already a dream,
and tomorrow is only a vision.
But today, well-lived,
makes every yesterday a
dream of happiness and
every tomorrow a vision of
hope

Somewhere over the rainbow way up high,
There's a land that I heard of once in a
lullaby.

Somewhere over the rainbow skies are blue,
and the dreams that you dare to dream really
do come true.

Someday I'll wish upon a star
and wake up where the clouds are far
behind me.

Where troubles melt like lemondrops,
away above the chimney tops,
that's where you'll find me.

Somewhere over the rainbow bluebirds fly.
Birds fly over the rainbow. Why then, oh why
can't I?

E. Y. Harburg

No cloud can overshadow a true Christian, but his faith
will discern a rainbow on it.

***At The End Of
Every Rainbow
Lies A Pot
Of Gold.***

Connection

I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth. And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud: And I will remember my covenant, which is between me and you and every living creature of all flesh; and the waters shall no more become a flood to destroy all flesh. And the bow shall be in the cloud; and I will look upon it, that I may remember the everlasting covenant, between God and every living creature of all flesh that is upon the earth.

Genesis 9: 13-16

Did you know that every time you look at a rainbow, God is looking at it too?

There's happiness in little things,
There's joy in passing pleasure.
But friendships are, from year to year,
The best of all life's treasure.

Blue skies and rainbows and sunbeams from heaven are what I can see when my Lord is living in me.

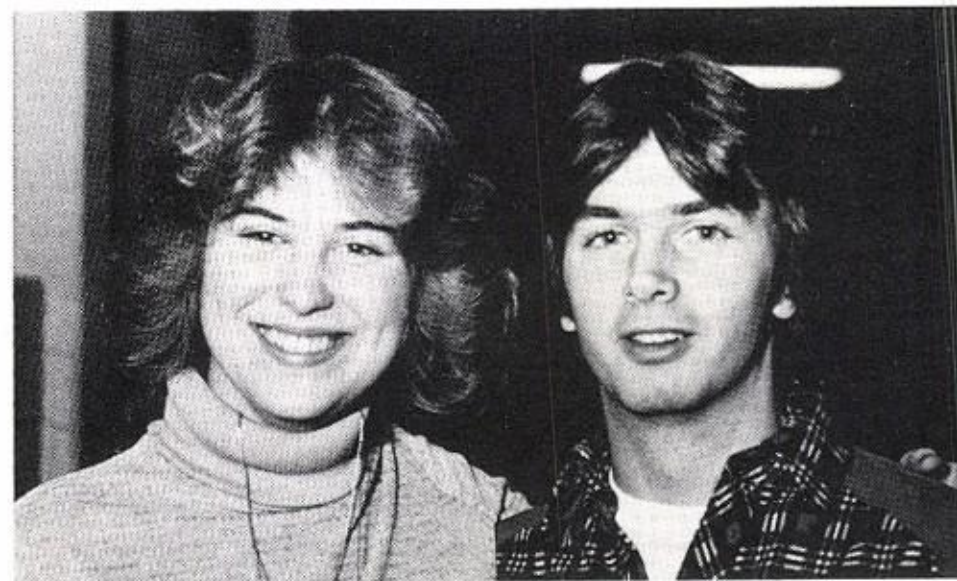

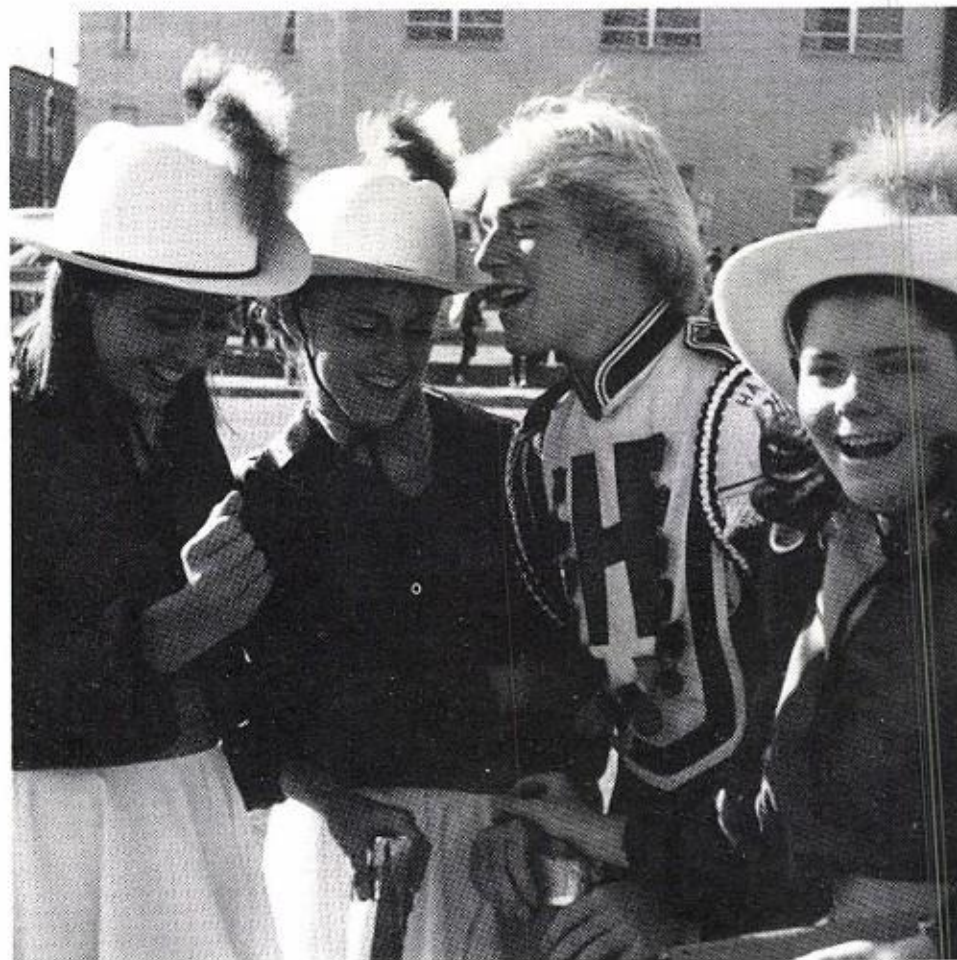

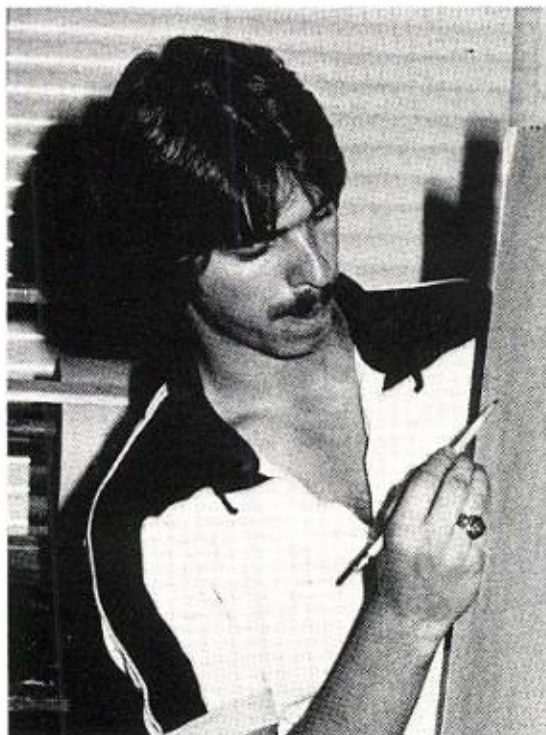

Someday We'll
Find
the Rainbow
Connection
Between Lovers,
the Dreamers,
and Me.

There is nothing more beautiful than a rainbow, but it takes both rain and sunshine to make a rainbow. If life is to be rounded and many-colored like the rainbow, both joy and sorrow must come to it.

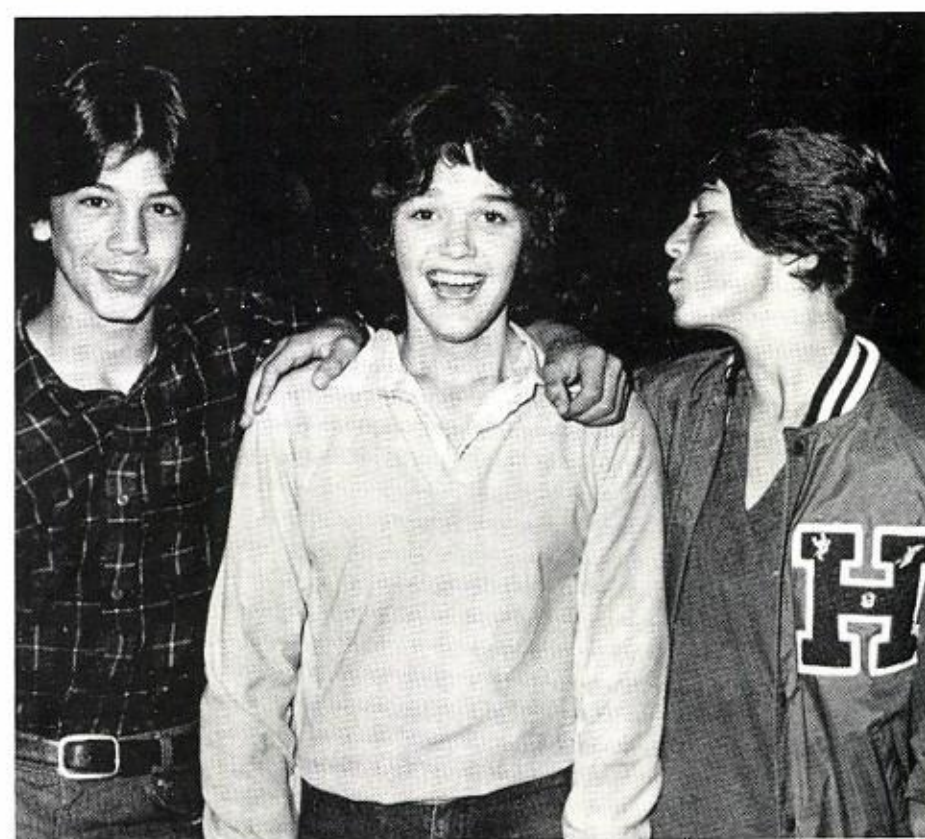

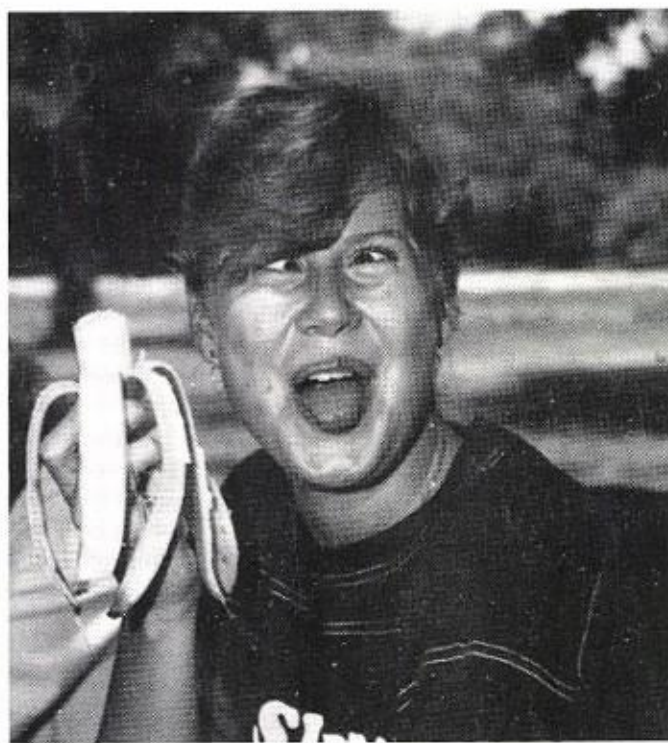

There is a place where the sidewalk ends
And before the street begins,
And there the grass grows soft and white,
And there the sun burns crimson bright,
And there the moon-bird rests from his flight
To cool in the peppermint wind.

Lions Have Fine Season

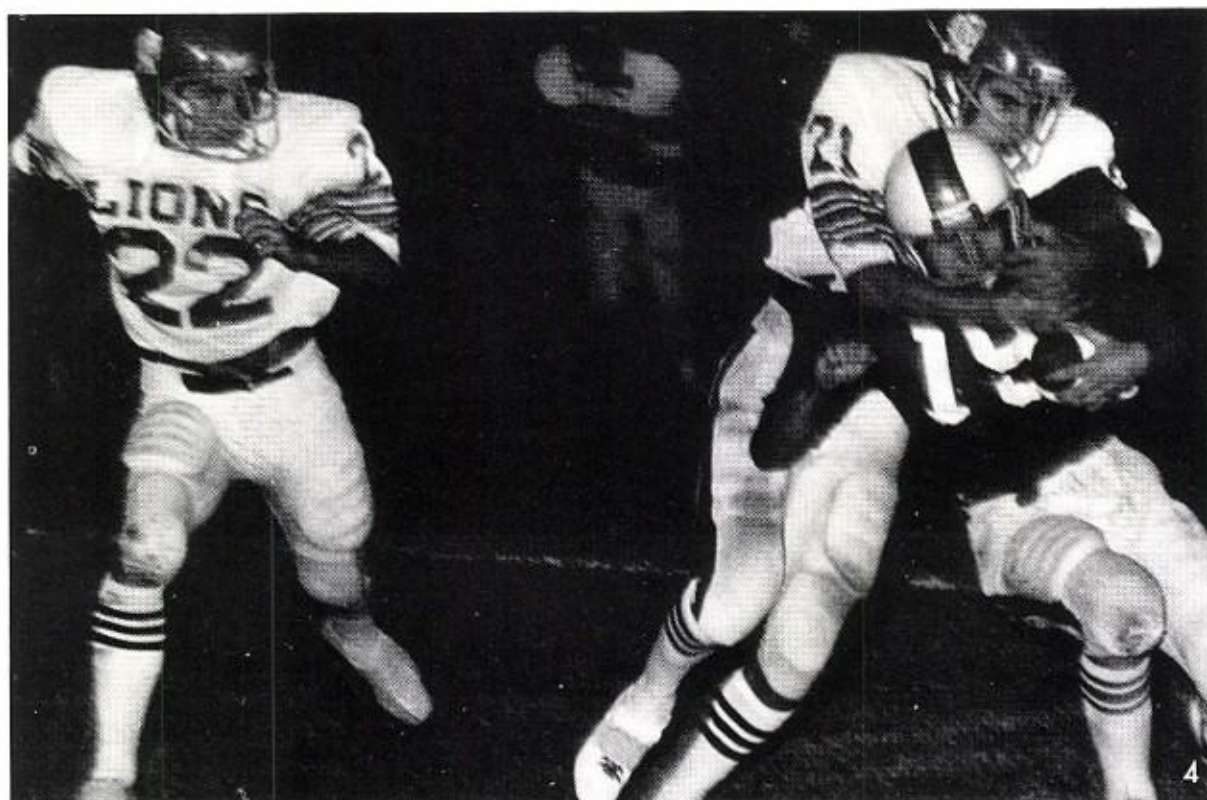

The 1980 Football team had an outstanding year. The Lions lost their first game to Ridgeway in a hard fought contest but later won the game because of Ridgeway's use of an ineligible player. The Lions won their next two games impressively before losing to powerhouses MUS and Memphis Prep on consecutive Friday evenings. The team went on to win their next four games before losing to a charged up Collierville team.

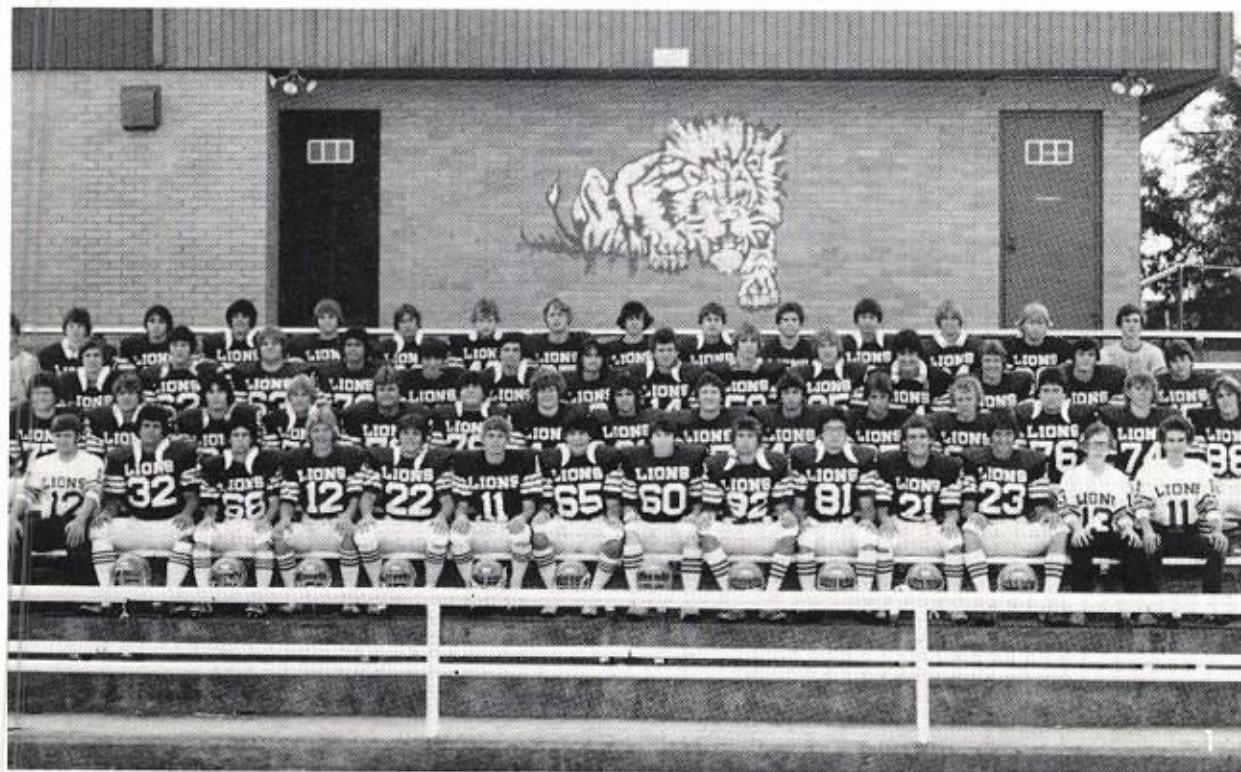

The team was not very big but with the help of excellent coaching posted a 7-3 record and received an invitation to play in the Tiny Knee Bowl.

Another highlight of the season was Wally Hatfield and Ronnie Kiihnl's being named to the SAC-7 team with Ronnie also being named to the All-Shelby County team.

Lions Invited To Tiny Knee Bowl

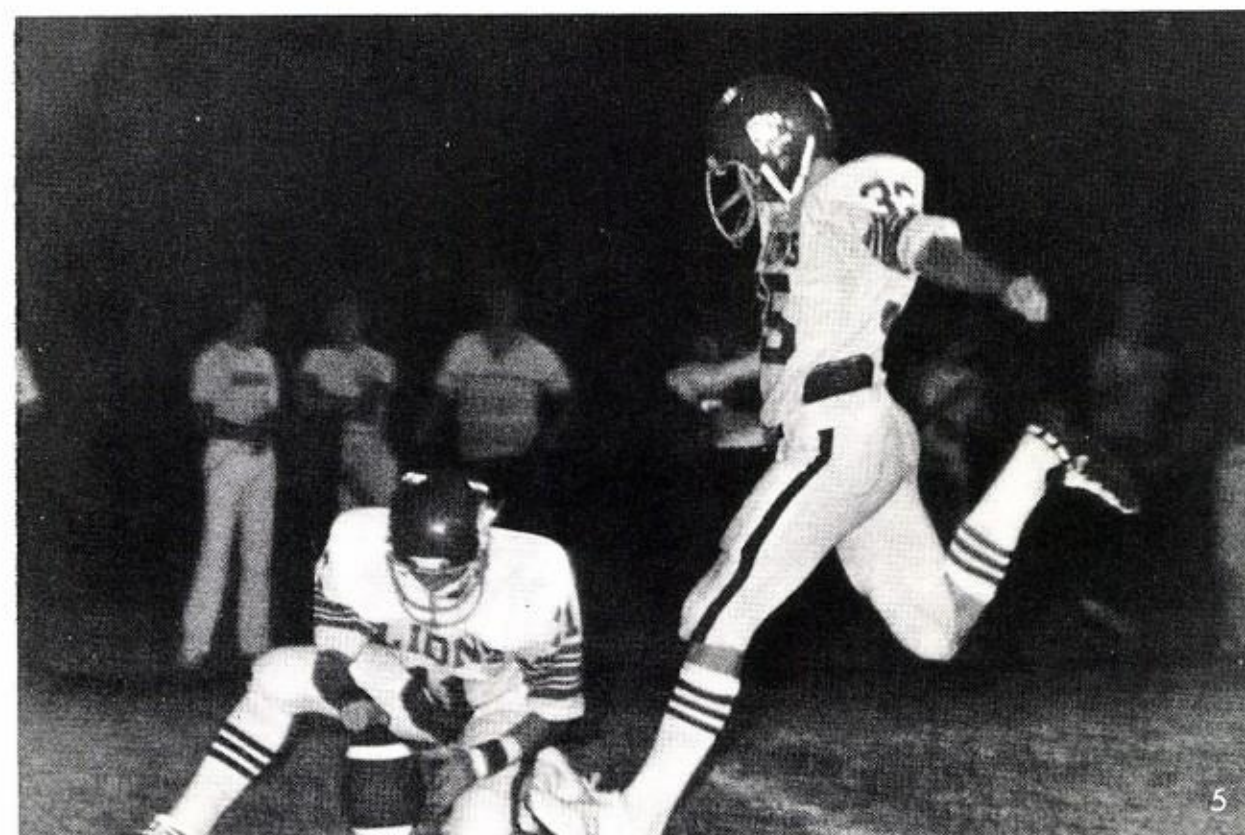

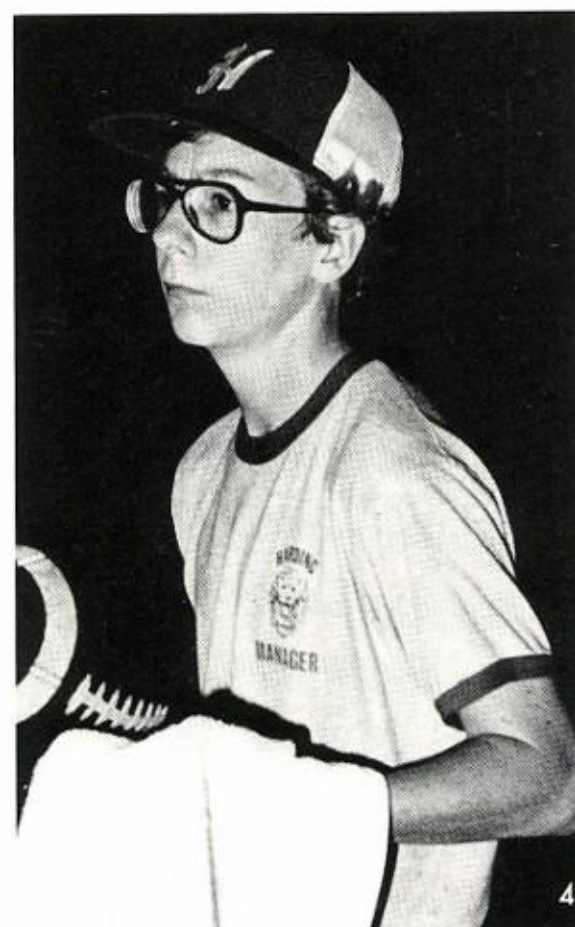

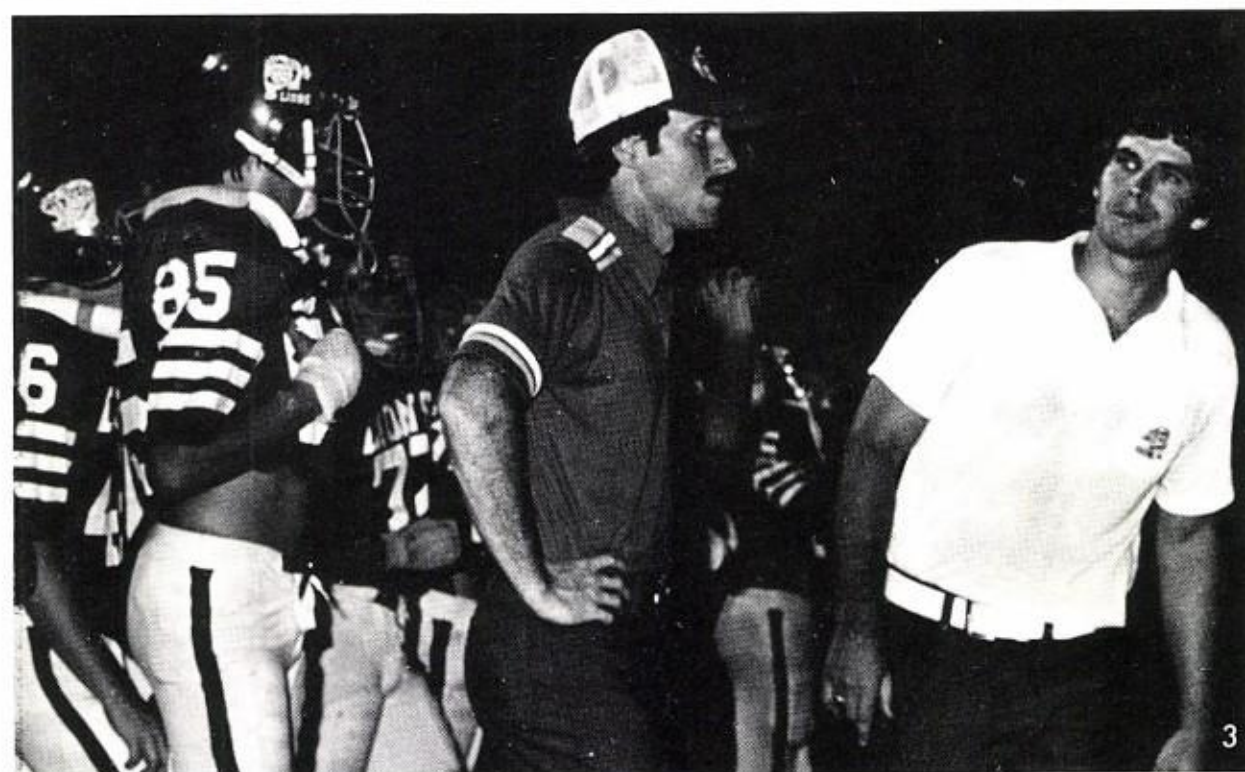

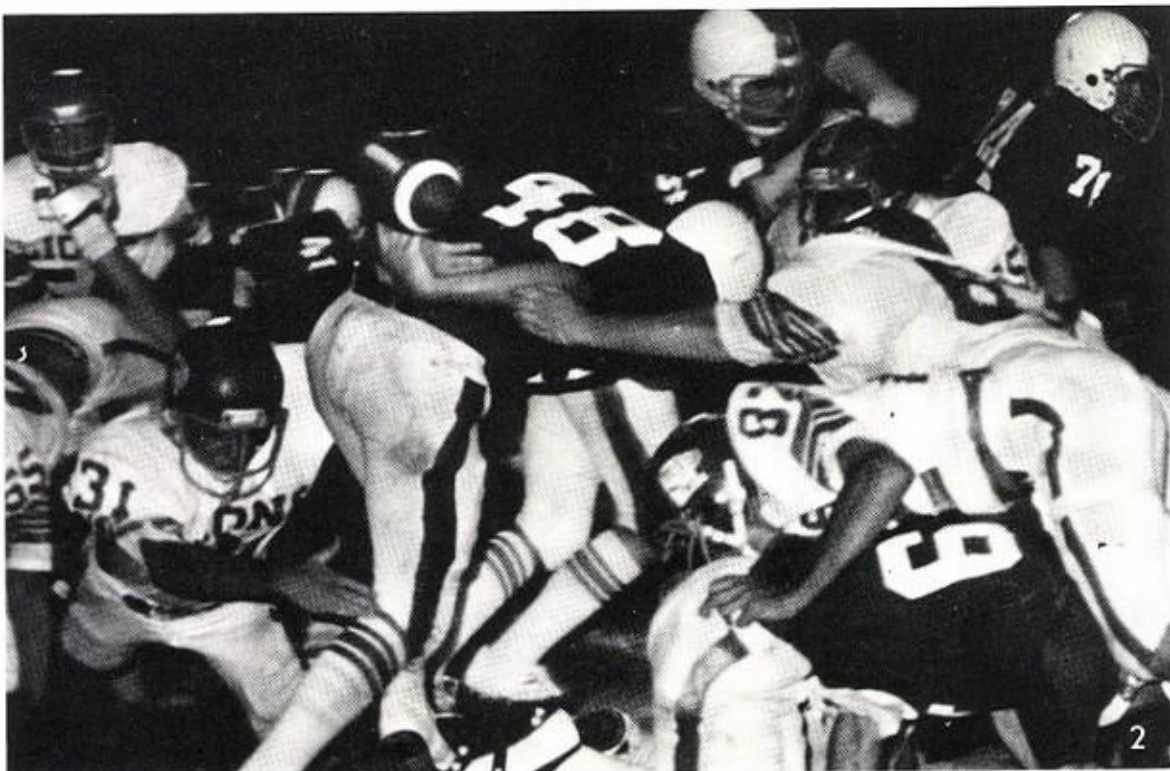

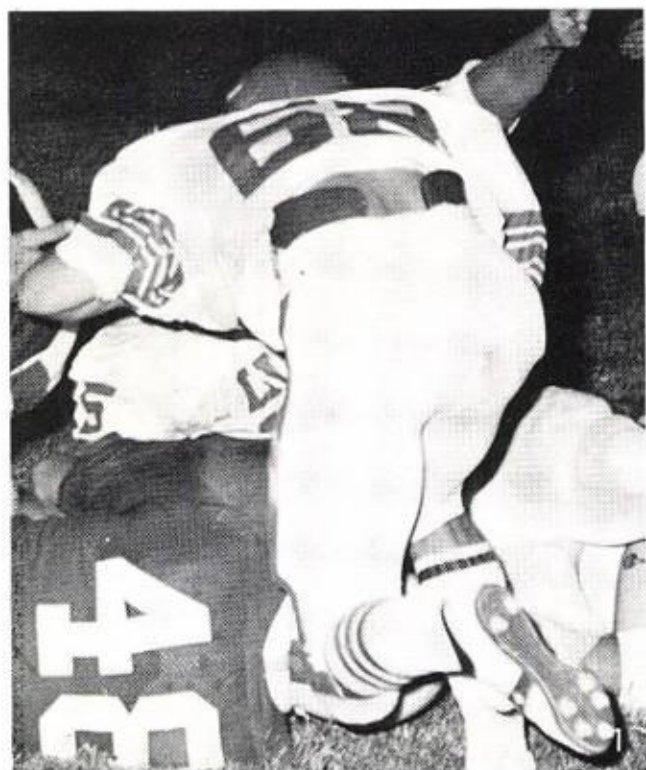

For the second year in a row, the Harding Lions football team received an invitation to play in a post-season bowl game. This year the Lions were invited to play in the Tiny Knee Bowl, held in Ripley Tn., to play against the big and talented Ripley High School football team. The Lions accepted the invitation knowing it was going to be a tough game.

Ripley played flawlessly for three quarters while building up a 33-0 lead but the fourth quarter was all Harding's. The Lions fought back narrowing the deficit to five points but that was as close as they could get. The final score read 33-28. Dan Smith played excellent defense the whole game and for his effort received the Best Defensive trophy.

Soccer Team Wins State!

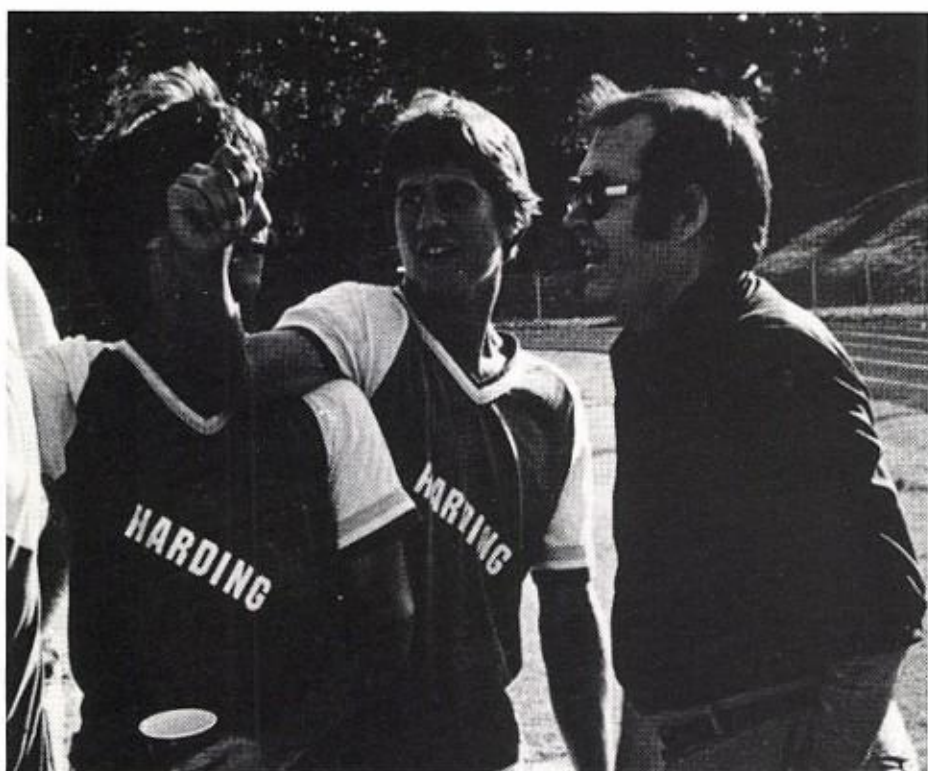

The soccer team, being sponsored by the school for the first time, proved worthy of this sponsorship by winning the state championship and the Dixie Conference title.

The inaugural season for Harding soccer had many exciting moments. The first big moment came when the team won their first game of the year over Glenmore. The next big victory was a 2-0 win over MUS. The team played well all season and advanced to the state playoffs, held in Sewanee, Tn. Harding won the state tournament by defeating CBHS in the semi-finals and Knoxville Farragut in the finals. The team then met the Alabama state champions, Huntsville Grissom, in the Dixie Conference finale. Harding prevailed 1-0 in overtime, by a goal from Charles Dismuke, to end the season at 12-3-2.

A Year of Rebuilding

The best way to describe the 1980-81 boys' cross country season is to say it has been a year of rebuilding. The Harriers finished their season with a 50 and 26 record. The team fulfilled their goals for the year by placing third in the District and fourth in the Region. The Harriers also sent Zack Randolph to the State Cross Country Meet, making this the eighth consecutive year the Harriers have been represented at State. Good luck in the years to come.

Girls Place Fourth in Region

The Girls Cross Country team had their best season ever by ending the season with a 22-19 record. At the beginning of the season, however, the girls were not very optimistic as temperatures soared well above the 100° mark. This year the team was fortunate to add two new members: Amy Adler, a senior from David Lipscomb High School, and Peggy Cook, a junior from Trezevant High School. Amy and Peggy joined the rest of the team, which placed fourth in the regional cross country meet at MUS. Congratulations girls!

VOLLEYBALL

VOLLEYBALL TEAM GOES TO STATE

The Freshman Volleyball Team finished their season with a 10-5 record. The Freshmen suffered defeats from Prep, Bishop Byrne, and Germantown. The team coach was Sandra Gilooly. The year ended successfully for the Freshmen.

The Seventh and Eighth grade Volleyball team also had a good season. Nancy Kenley coached the team. Good luck next year girls!

WRESTLING

Jones, Livingston, Sheppard, Smith go to State

The 1980-81 wrestling team had what can be considered a very fine season. Coach Perry said "The wrestling team seemed to really come together toward the end of the season." In District competition the team placed second overall. Coach Perry pointed to Barchelai Smith's pin in the District tournament which gave them their second place finish. Coach Perry commented that this was the first match Barchelai had won all season. In Regional competition Harding had seven wrestlers to qualify and four of them advanced to the State Tournament: Mike Smith, Tim Sheppard, Larry Livingston, and Bobby Jones. The highlight of the Regional Tournament was Mike Smith's match, which was voted Best Match of the Tournament by the Coaches.

Lions Have Another Fine Season

This year's basketball team got off to a very fast start by winning their first eight games. Also, this was the eighth year in the last nine years that Harding has won 20 games in season. One highlight of the season was Harding taking first place in the David Lipscomb Tournament held in Nashville. The Lion's success this year was due mainly to teamwork. Robby Betts brought the ball upcourt and ran the offense while Clark McFerrin connected on long shots from the corners. Jim Donnell supplied the team with his all-around playing ability while Don Deaton kept the team going with his consistent play. The Lions enjoyed a tremendous season and look forward to the coming year.

Girls Have Excellent Season

The 1981 girls' basketball team had an excellent season and were much improved over their preceding girls team. With nine returning players and the loss of only three seniors, the team has blended well together. With each game, the girls gained much needed experience. Angie Bodiford, the only senior on the team, provided leadership while Lisa Knox consistently made her jump shots. Carole Benton continued to be a dominant rebounder. Gina Ward and Debbie Slaughter provided scrappy defense. Also, Coach Ijams had the luxury of a strong bench, not having to worry about a player being inexperienced. Since there are eight juniors on the team this year, continued success for next years team is imminent.

Cheerleaders

The 1980-81 Lion cheerleaders were great at upholding traditions, but they were unusual because they broke from tradition in the way in which they were elected. Usually cheerleaders are chosen by the student body, but this year's squads were screened and elected by a committee of judges from Memphis State.

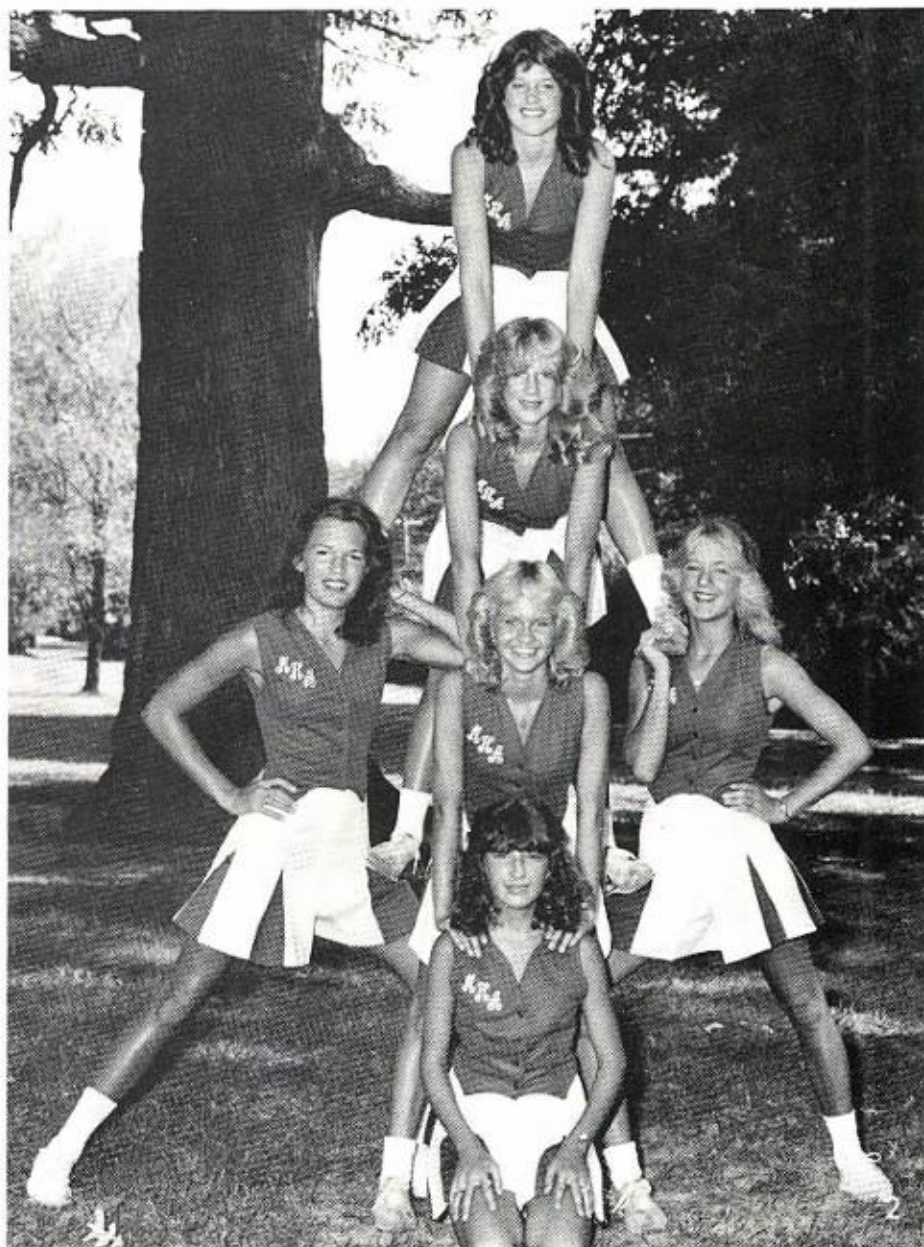

Before school started, the girls went to summer cheerleader camp in Oxford, Mississippi, sharing the Ole Miss campus with other squads, working out new routines and exchanging ideas.

During the year, the cheerleaders worked hard to coordinate pep rallies and arouse that Lion Spirit!

Year of Growth

This year was a year of rebuilding for the golf team. The team was left inexperienced by the loss of such key players as Hubie Smith and Fred Powers. Les Fortner, the current Memphis Junior champion, led the team to a 4-5 season. Even though it was a dissappointing season, the team gained the experience necessary to have a championship team next year.

The girls' team had a rewarding year with a 9-2 record. They defeated rival teams such as Bishop Byrne and Memphis Prep. Donna Huffman qualified for state by shooting a 92 in the regionals.

The 1979-80 tennis teams had an outstanding year. Their combined seasonal record was 9 and 3. The Lady Lions were the District 29 Champions and they also captured the SAC-7 Championship for the second year in a row. All - Conference winners were as follows: Michelle Carrier, Lisa Fienup and Lynn Wooten. The Varsity Boys team placed third in the District 29 Championships and third in the SAC-7 Championships.

Team Looks To Future

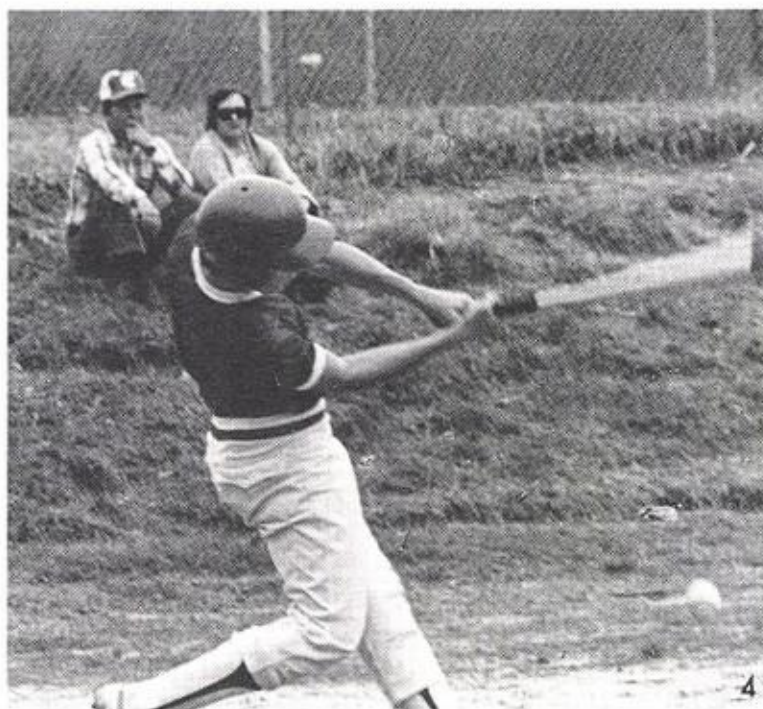

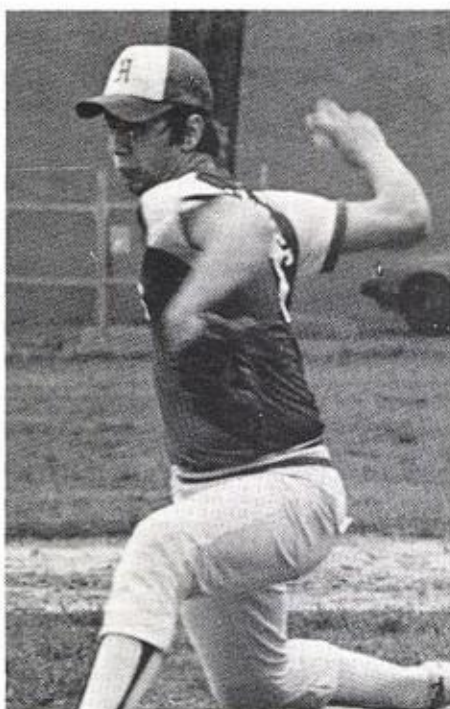

The baseball team finished the 1980 season with a 6-13-1 record. The team had a very capable defense but seemed to lack timely hitting. Most of the team was compiled of Juniors and Sophomores which leads one to believe that Coach Bodiford's 1981 squad will have a very fulfilling season.

Freshman Have Outstanding Season

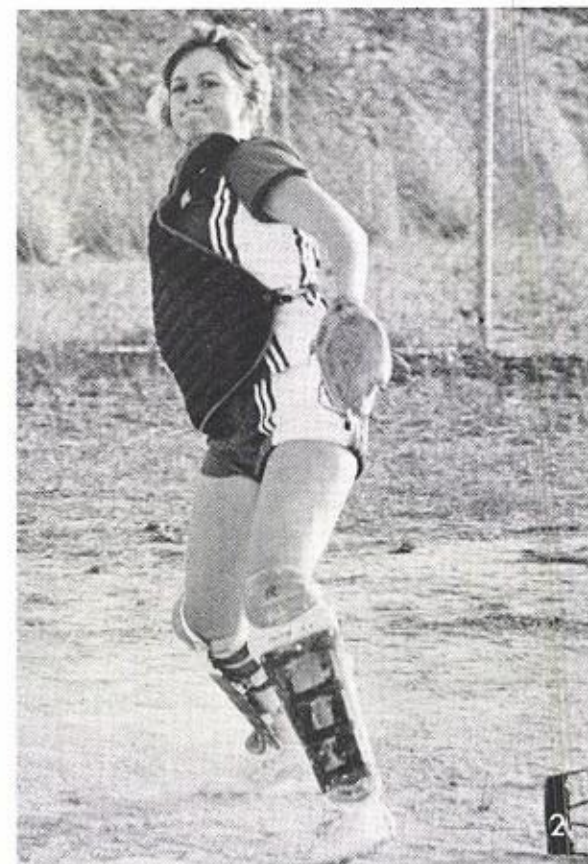

The 1980 freshman baseball team had an outstanding season ending with an 8-2 record. The highlight of the year was a 38-0 thrashing of Catholic. The only two losses for the team came at the hands of Elliston and CBJHS. The young men on the freshman team are very talented and should be a big help on the 1981 varsity team.

THE YEAR IN REVIEW

The 1980-81 sports season got off to a very exciting start with the beginning of Harding's first soccer team. One of the highlights of the season was the defeat of MUS on our home field with a score of 2-0. The varsity soccer team ended their season by defeating CBHS 2-1 in the semi-finals of the State Championship and then defeating Knoxville Faragut 4-1 to clinch the 1980-81 State Soccer Championship.

The varsity football team enjoyed a winning season. Coach Escue pointed to the defeat of Bishop Byrne as the point when this "young team" really "came together." The highlight of the season, however, was Harding's participation in the Tiny Knee Bowl against RHS; the last quarter made it a very memorable game.

The boys' cross country team finished their eighth straight winning season. The harriers placed third overall in the Conference meet and third overall in the Regional Cross Country Meet. A senior member of the team, Zack Randolph, qualified for the State Cross Country Meet. This will be the eighth consecutive year that Harding has sent a member of the team to the State Meet.

Highlights of the 1980-81 girls' cross country team were very unusual. During the Bishop Byrne Invitational, which was held in the rain, most of the girls all but lost their shorts because the shorts got so big when they got wet. Miss Matthews said "it was the day the Red Shorts died." The Lady Harriers also placed fourth overall in the Regional Cross Country Meet where Phyllis Mcfall received All-Regional awards.

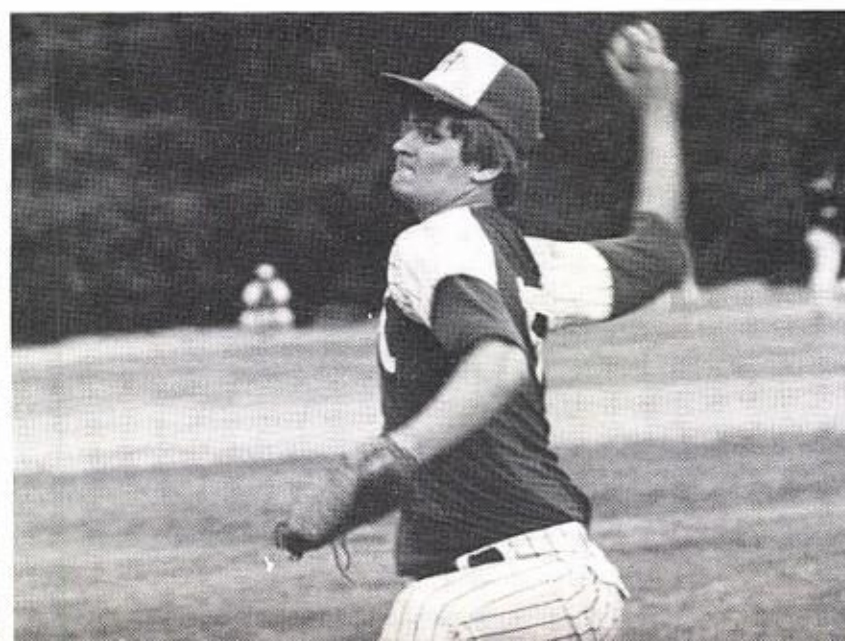

The 1980-81 volleyball team had a very successful season. The Lady Lions were District and Regional Champions. The highlight of the season was the Lady Lions' becoming TSSAA State Runners-up. Two members of the Volleyball team, Lisa Fienup and Gina Ward, were named to the All-State team.

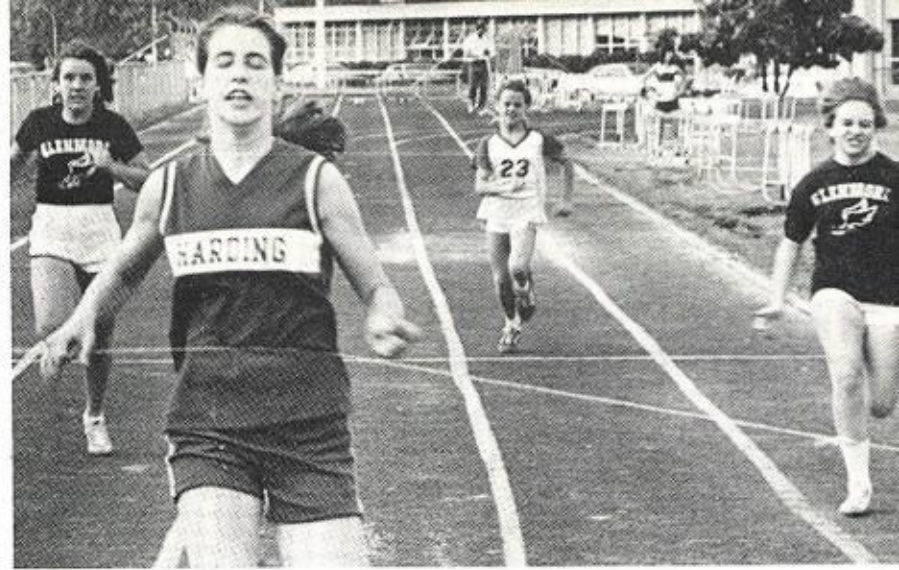

The Harding basketball Lions began the season with a powerful eight-game winning streak. The Lions also won a second consecutive Lipscomb Christian High School tournament in Nashville. The Lions were finally defeated by state power East High School (66-64) in a typical thriller.

The week of January 19-24 the Lions played two outstanding games while losing to number one ranked AA team MUS (46-44) and number one ranked class A team Bolton (49-47).

Leading this year's squad is captain Jim Donnell. Jim is a 6'5" senior forward averaging 17 points and 12 rebounds per game. Don Deaton, a 6'3" junior forward has averaged 15 points per game. Robby Betts has been the leading ball handler of the season. Robby also leads the Lions in assists.

- Junior Danny Austin, a 6'0" guard, is an exceptional shooter and has scored some big baskets for the Lions this year. Senior Cary Daniel, a 6'1" forward-guard, is the number six man on the squad. Daniel is an outstanding defensive player who is described by Coach Allan Pritchard as "giving 200 per cent everytime he plays."

The girls' varsity basketball team hit a high point during the season by beating Collierville 39-27. Collierville had been undefeated in SAC-7 conference play. Outstanding man-to-man defensive play by Carole Benton and double-figure scores by Angie Bodiford and Lisa Knox contributed to the victory.

The girls' varsity tennis team had an outstanding season last year. For the second year in a row the girls won the SAC-7 tournament. Players receiving Conference honors were: Michelle Carrier, Singles Championship; Lisa Fienup, third overall, and Lynn Wooten, fourth overall. Michelle Carrier and Lisa Fienup were also SAC-7 doubles champions. The varsity tennis team for the first year ever were District Champions. In District 29 play Michelle Carrier won singles and Lisa Fienup was fourth in singles competition.

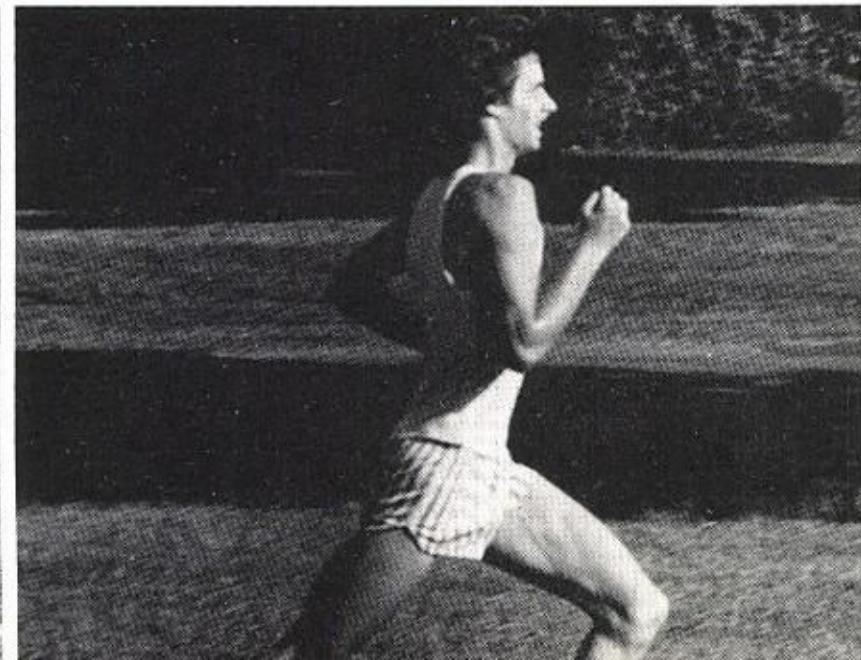

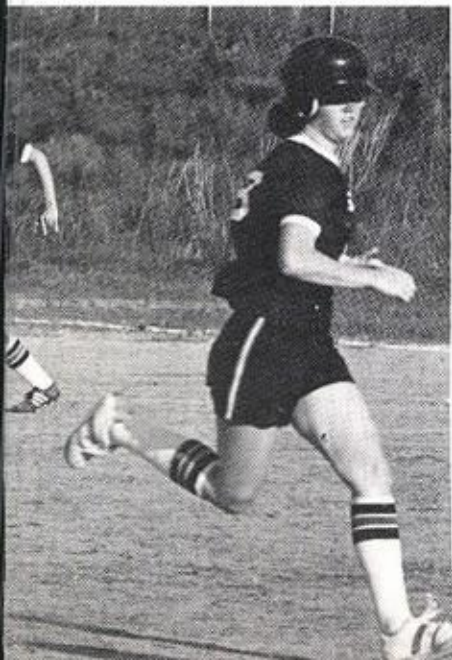

The boys varsity tennis team placed third in the Conference and third in the District tournament. Dale Thompson and David Gearhardt did very well in singles competition during the season; Dale Thompson and Kris Miller also did well in doubles.

Coach Alsup believes "this years' team is the strongest team Harding has ever had." Michelle Carrier is currently ranked third in the South, twenty-first in the nation and number one in Tennessee. Dale Thompson is probably ranked in the top ten in his age group. Other outstanding members of the tennis team are: Alan Bond, currently ranked twenty-first in Tennessee for his age group; Lisa Fienup, ranked thirty-ninth; David Gearhardt, ranked alphabetically in the lower third; Ken Miller, ranked thirty-second; and Kris Miller, ranked forty-fourth in overall state competition.

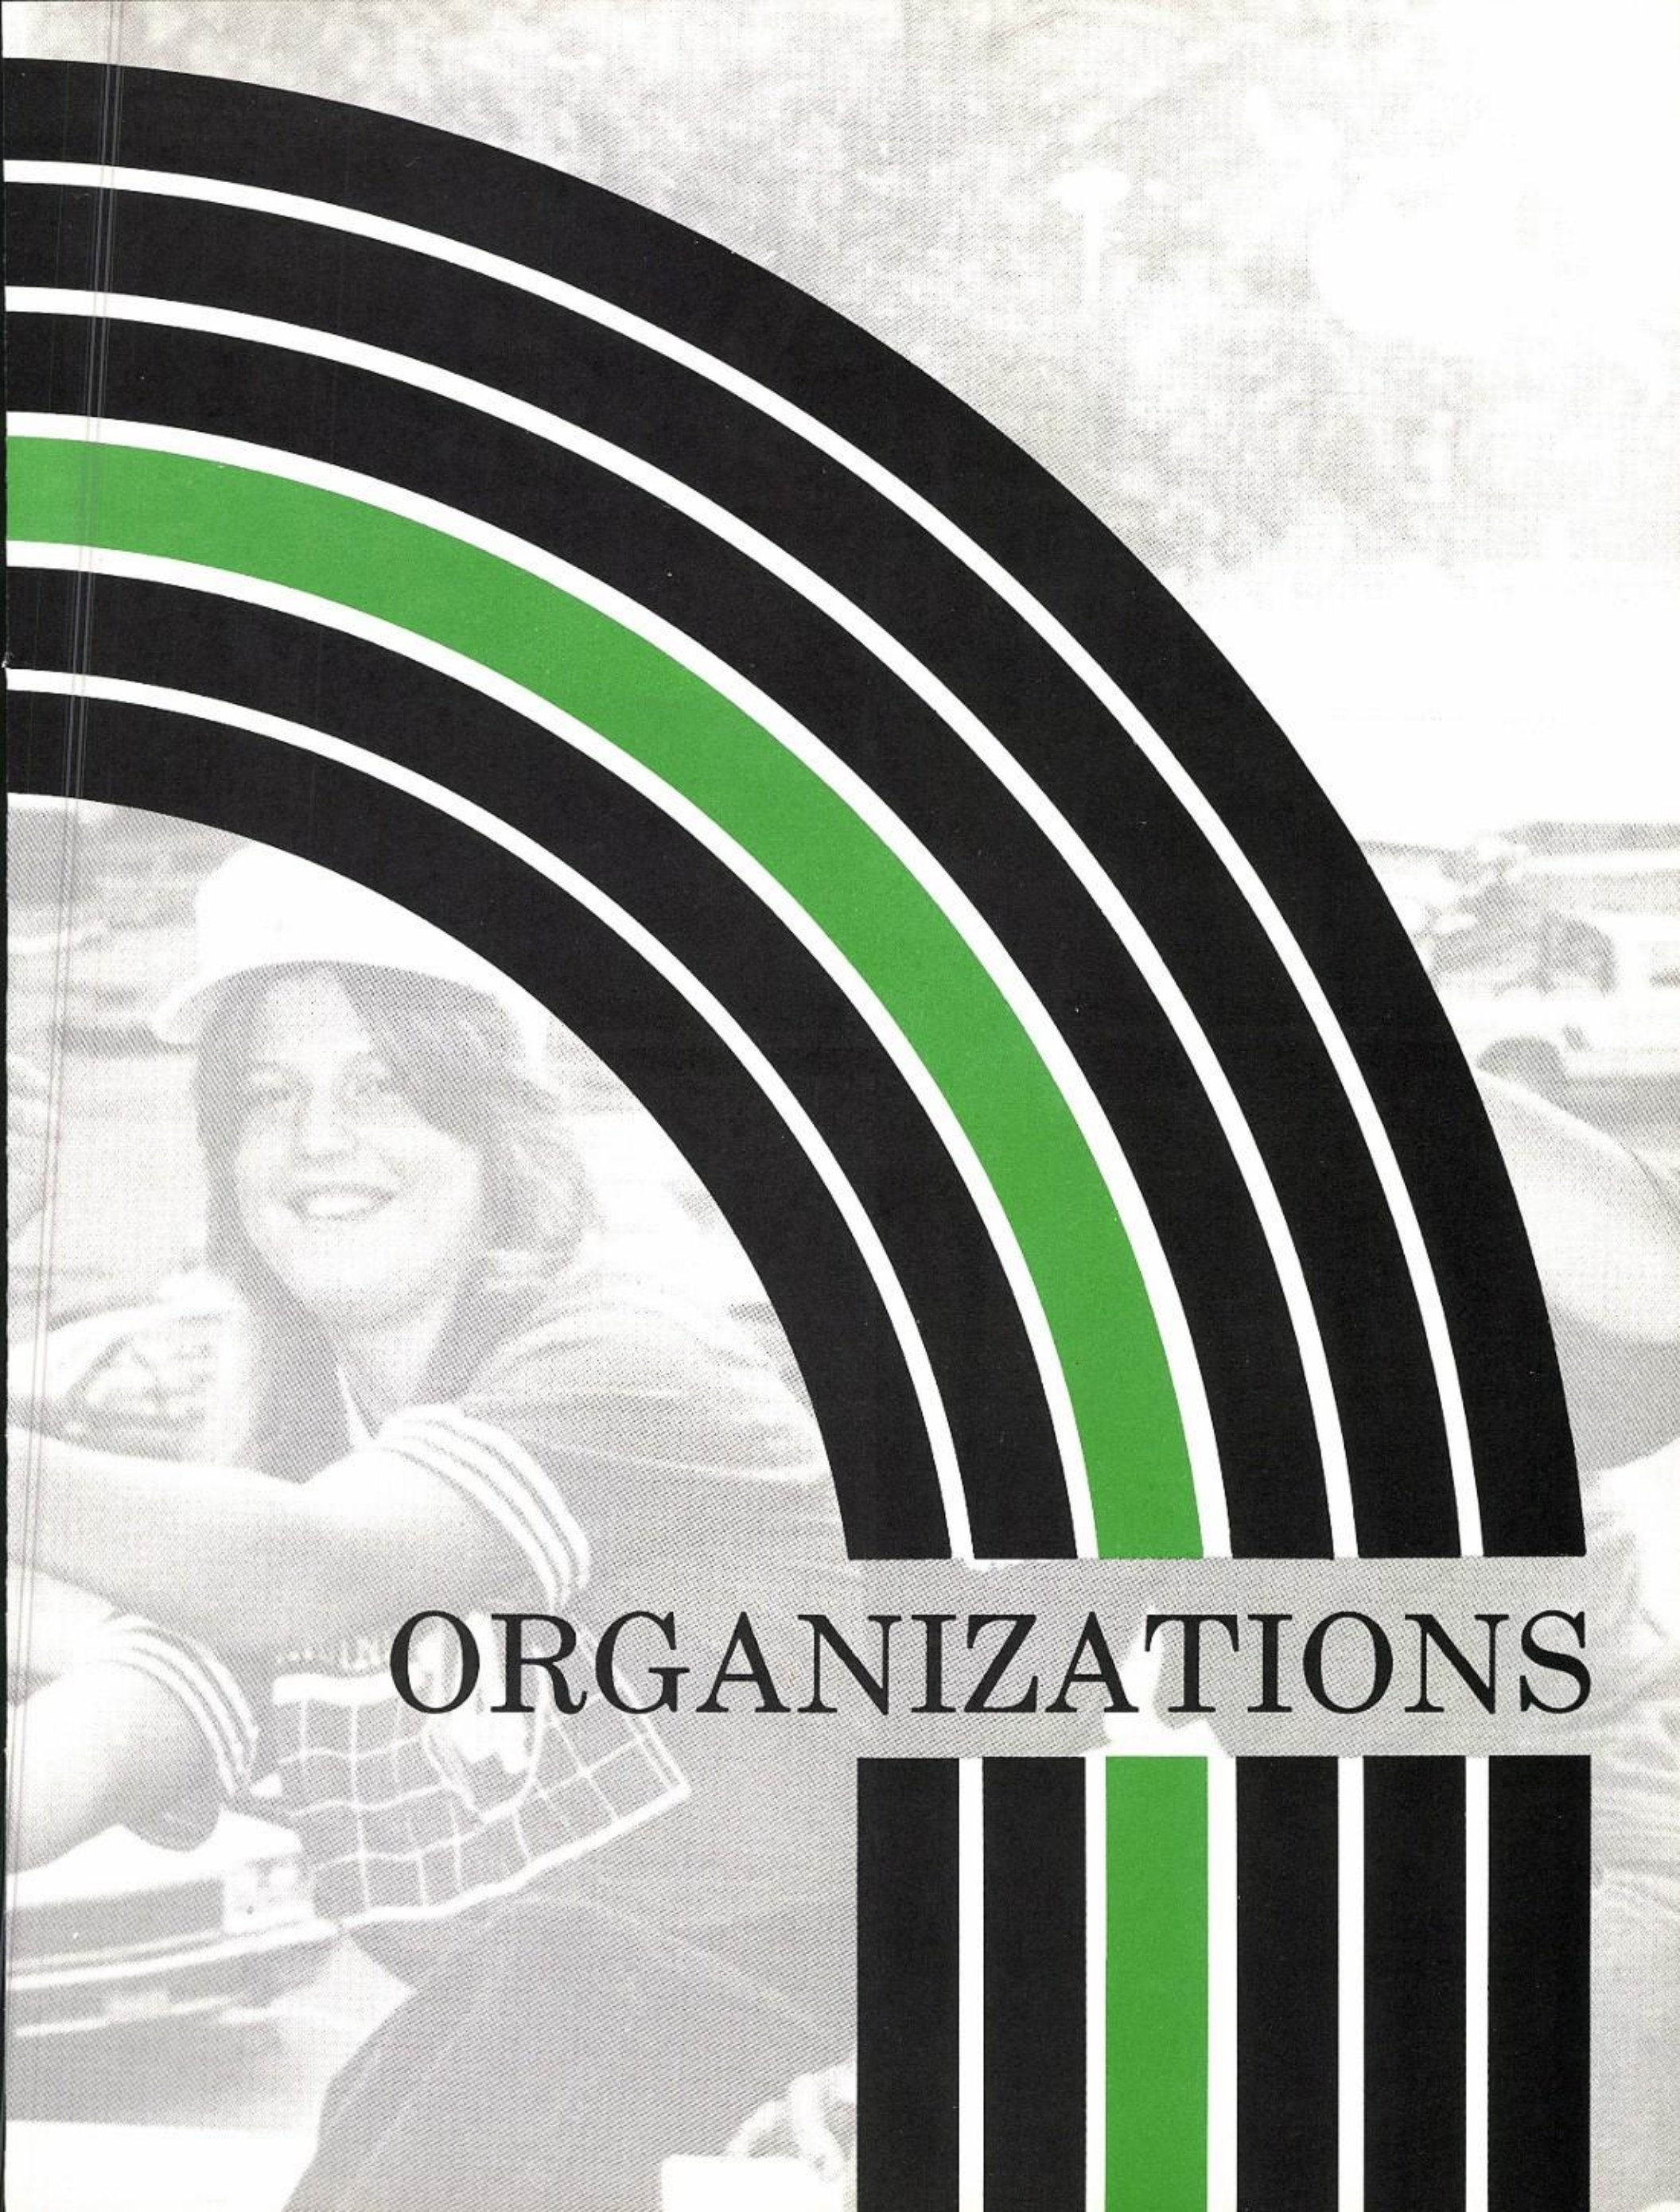

The 1979-80 softball team had a really rough season. The Lady Lions had to compete against such teams as Briarcrest, Bishop Byrne, Saint Agnes, Catholic, I.C and SBEC. The softball team finished their season by participating in the District Tournament where they placed fourth.

Not to be outdone, the 1979-80 baseball team also had a very rough season. The boys' varsity, baseball team was very young, with most of the team members being juniors. The baseball team spent many long hours of practicing their batting and fielding techniques. Their hard work did pay off at the end of the season, as they won fourth overall in the SAC-7 tournament. In District competition Clark McFerrin was named to the All-District 14 AA squad.

The 1979-80 track team had an extremely good season, ending the year with a 39-1 win-loss record and being SAC-7 Champs two years in a row. The indoor and outdoor teams won the West Tennessee Regional Championship. The highlight of the season was the boys' placing second in State with only five members on the team. Coach Bob Massey's record speaks for itself: seventy-nine wins and one loss over a two year period.

Shield Staff

This year's **Shield** staff is made up of nineteen hard-working students who devote long hours to selecting and cropping pictures, drawing lay-out forms, and typing copy sheets. To make this year's annual even better than last year's, Lisa Warren, Wendy Wagner, and Mrs. Sanders attended a four-day workshop in Conway, Arkansas. Many of the staff spent part of their summer selling advertisements under the direction of Terri Grobe. Even though meeting the deadlines is a tough and demanding job, working on the annual is fun!

Footprint Staff

This year's **Footprint** staff has worked very hard for Harding's elementary schools. It has compiled a complete year in one annual that will be cherished by each and every student. All nine locations have been represented well in a neat and organized manner.

This is the ninth consecutive year of the **Footprint**. It has been a great success since it's beginning in 1972. This is due to the constant dedication of each member.

The staff is made of twelve members which are all very hardworking and punctual. The editor, Louisa Estes, and the assistant editors, Kim Jackson and Susan White, worked along with all section editors to make a great year.

Harding Academy students depend on the **Lion** to keep them informed on important school issues and to fill them in on details of activities that take place during the year. Staff members, who are chosen by the advisor, are responsible for researching their assignments and turning in accurate, well-written stories before deadlines.

The **Lion** is published monthly throughout the school year. Staff members belong to the Tennessee High School Press Association, participating in workshops and submitting issues of the **Lion** for professional critique. The staff strives to make the **Lion** more than a school newspaper, gaining a news magazine appearance through up-to-date features, highlights of school news, and student literary contributions.

Chorus

Harding's A Cappella chorus had yet another excellent year. They began the year by performing in chapel. To raise money for new stoles, the group sold candy bars and made a nice profit. The Christmas program was a huge success, as was the spring concert. Beginning in January, the chorus made weekly visits on Wednesday nights to different churches to present a program of religious selections. To celebrate the release of the hostages from Iran, they presented a very moving show in their honor during chapel. Their annual chorus trip was very exciting this year. They went to Alabama, then dropped down to the Gulf, and finally ended up in New Orleans. Everyone enjoyed the trip, especially seeing cities as beautiful and historic as Mobile and New Orleans. Under the capable direction of Mr. Jim Chester, the A Cappella chorus showed again this year that they are among Harding's finest.

The Harding Academy Band has brought many honors to Harding. They began by participating in four marching contests. At three of the four contests they received a rating of superior and at the fourth contest they received a rating of excellent. At a contest in Milan, Tennessee, they received the "best in class" trophy. The band led in spirit at football and basketball games. The band also marched in the Veterans Day Parade and the Christmas Parade downtown. A small group of band students performed for the musical **Of Thee I Sing**. Eight members were selected to play in the Ali West Tennessee Honor Band. The band members have had a good year in '81."

PEOPLE

ADMINISTRATION

Dr. Bowie, Harding's superintendent, is an outstanding man in the Memphis community. He has dedicated nineteen years to service at Harding. The school, spiritually and materially, would not be the same without his guidance. He has assisted the school through many hardships. Dr. Bowie has also been a great influence on the students, setting a Christian model for all who attend Harding. Dr. Bowie has many pressing responsibilities as superintendent to make sure the school runs smoothly. He deals with budgets, legal problems, growth and expansion, salaries, and employment. Dr. Harold Bowie is a great asset to Harding Academy.

Dr. Harold Bowie

The academic dean at Harding Academy is Betty Bates. She is in charge of the academic life at Harding. She makes teacher and class room assignments and helps in hiring teachers. She reviews the distribution of grades and helps administer departmental budgets. She approves or disapproves student applications, helps in assigning extra-curricular duties, and administers the girls' dress code. Mrs. Bates also works with students. She is always available for a conference on students' grades or when a student just needs someone to talk to.

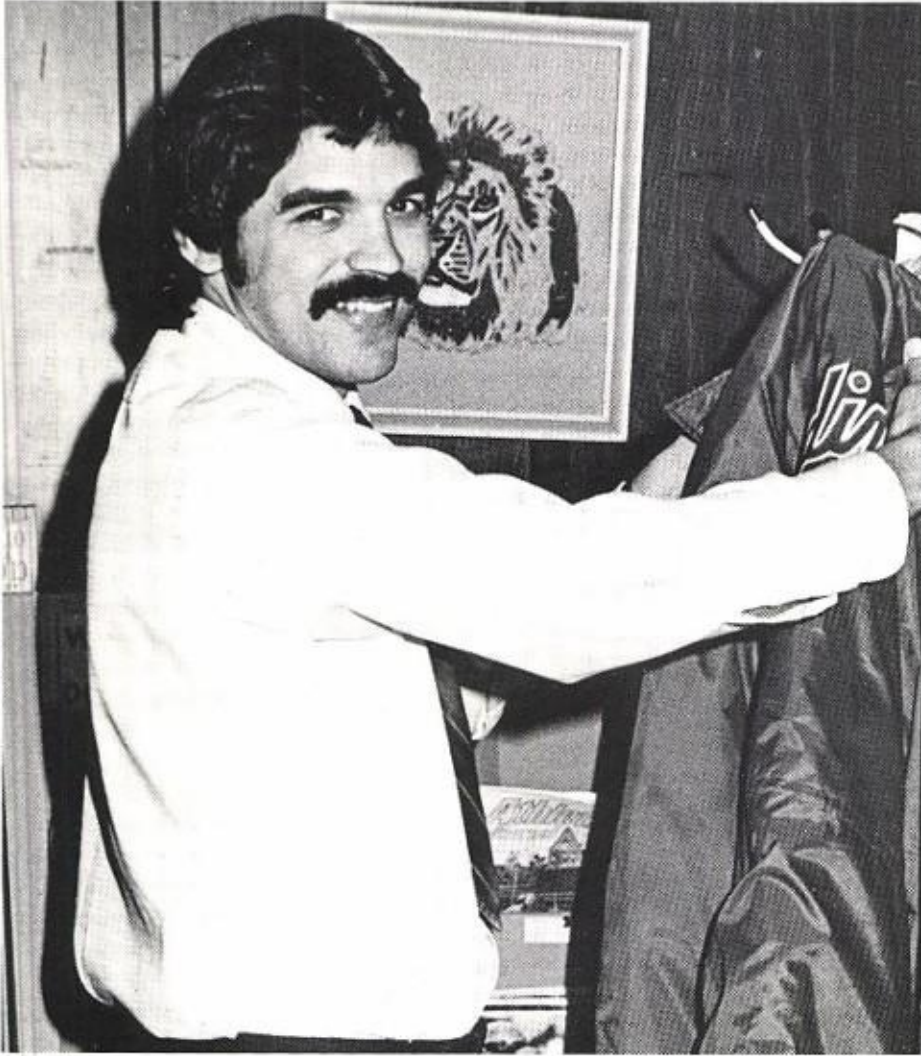

Betty Bates

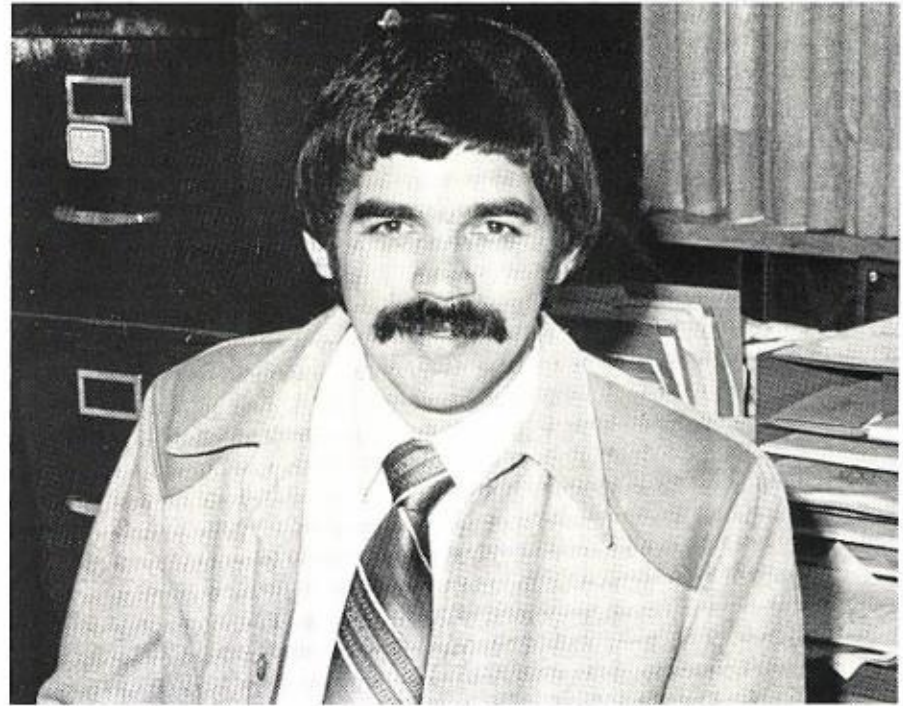

ADMINISTRATION

Ronn Rubio

Serving as athletic director, Ronn Rubio has one of the most demanding jobs at Harding. He is in charge of all aspects of the sports program. Included in his areas of responsibility are maintaining an athletic budget, making sure the teams meet all TSSAA eligibility rules, and seeing that all sports run smoothly. Coach Rubio also teaches a geometry class, substitutes for other teachers whenever necessary, and coaches the boys' cross country team.

Peggy Matthews

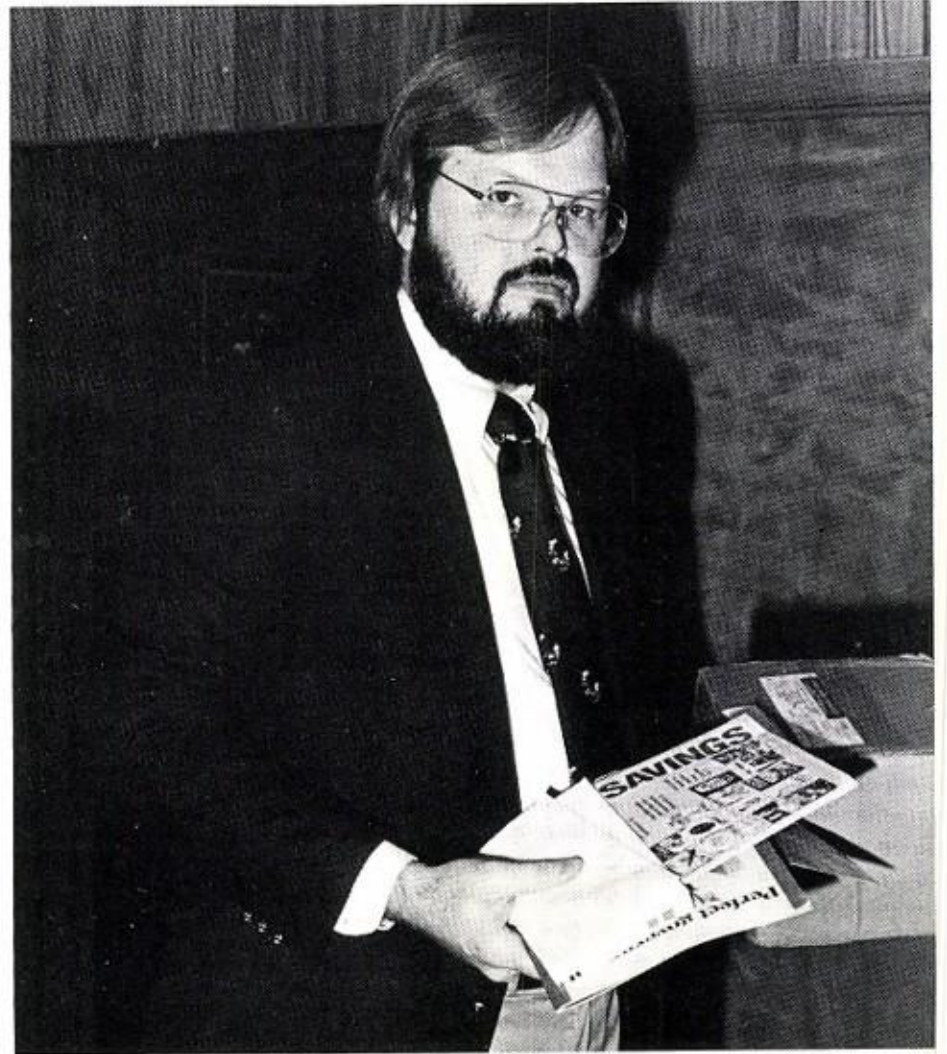

Peggy Matthews has had a busy time in her first year as activities director. She is in charge of a great number of Harding's activities. She works with both the Junior and Senior High student councils in planning many fun events for the student body. She also sees that club meetings run smoothly by eliminating as many schedule conflicts as possible. Miss Matthews accompanied Harding students to Washington, D.C., for the Close-Up Program. She is head coach of the girls' cross country and track teams and assistant girls' basketball coach.

ADMINISTRATION

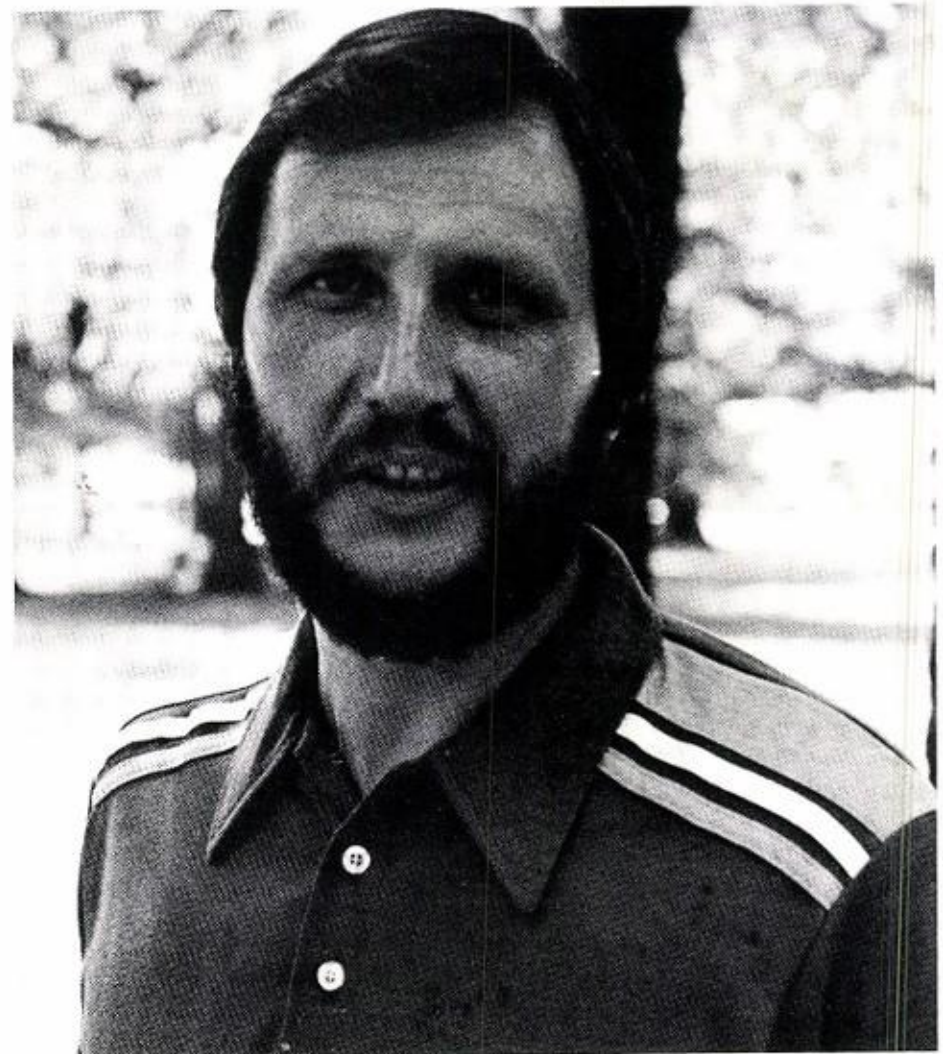

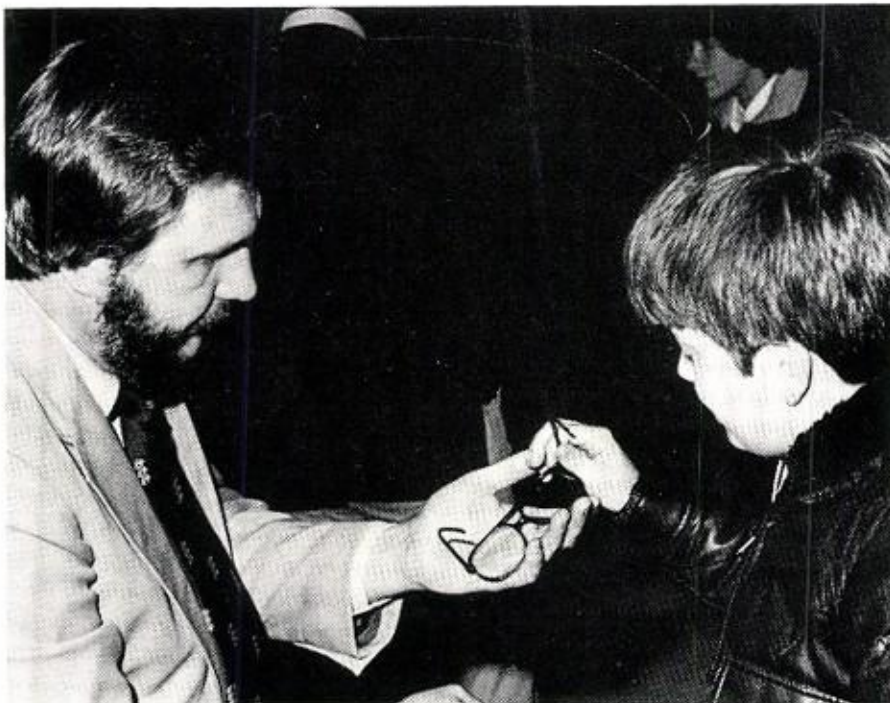

Ken Cox

Ken Cox has served as Business Manager at Harding Academy for four years. His duties include purchasing supplies and equipment, determining bus routes, building maintenance, and collecting accounts. Besides being an administrator, Mr. Cox serves our school by driving the Trailways bus and accompanying students on tours of New York City. He also served as a judge for this year's Junior Miss Pageant.

As Dean of Students, Fred Phillips is responsible for student discipline. He also devotes much of his time to overseeing student activities. During his five years as Dean, he has helped with banquets and at pep rallies. Due to experience which he has received from working in productions at Memphis State, he is a consultant for Harding's theatrical productions. He also enjoys substituting for Mrs. Bond while her classes are studying William Shakespeare.

BUSINESS

The business department offers several courses to prepare one for the business world, including typewriting, accounting, and general business. The department chairman, Anne Brewer, teaches typewriting. She is assisted by Leslie Irwin, who teaches general business, typewriting, and accounting. Typewriting is so popular that the typing room is in use six periods of the day.

This year the department added 13 new electric typewriters and will receive 14 more electric typewriters next year, so that all students can use them.

Besides vocabulary and grammar, literature is also taught because through good literature, students gain a greater understanding of people. Proficiencies in speaking, listening, and writing are the objectives of a well-balanced English program where each student is encouraged to develop mentally, spiritually, and socially in order to become the best citizen possible in the school, the community, and the church.

MATH

The Math Department is under the direction of Chris Dahlberg. Mr. Dahlberg says "it is encouraging to me that there are more students taking advanced math classes than ever before; however, it is hard to find a sufficient number of math teachers to meet the demand." New to this year's Math Department is a class called Computer Math, which is held in a fully equipped computer room. The Department has set two goals: to have all Algebra I and Geometry students ready for college and to have all advanced students one year ahead of the college curriculum.

LANGUAGES

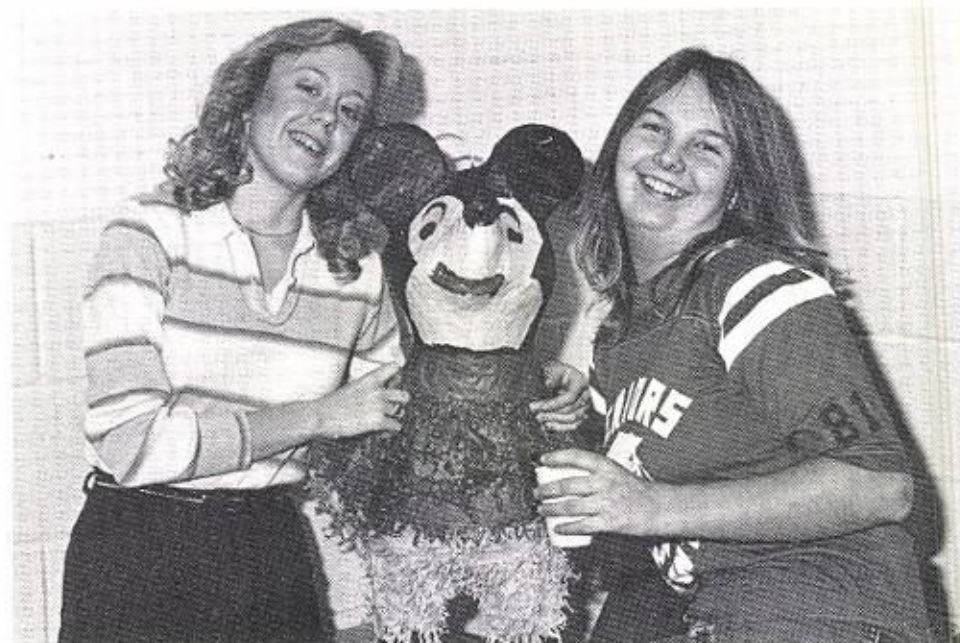

The Language Department consists of two courses. Spanish is taught by Patsy Evans and German is taught by Marilyn Barnes.

The Spanish classes have been improved this year by the addition of the Language Lab. By using the lab, students can listen either to the teacher or a record, or work on the pronunciation of their vocabulary.

The Spanish students kept busy this year by Christmas caroling, sampling El Chico's Mexican food, and fielding a soccer team.

The German classes also employ a Language Lab, as well as researching different aspects of German culture, history and geography. This year the students attended the Tennessee State German Festival in Murfreesboro.

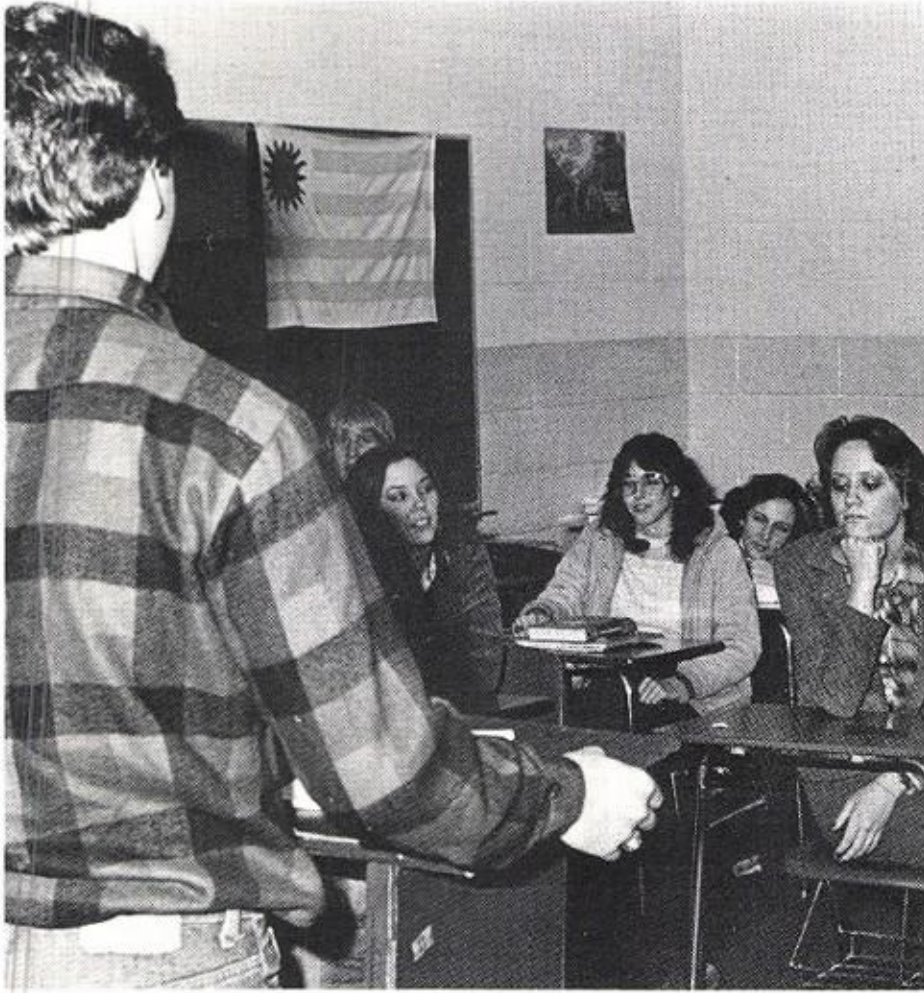

Both German and Spanish students provided a Christmas dessert buffet for the entire faculty.

SPEECH AND DRAMA

The speech and drama classes were hard at work to make this year a success. The classes are taught by Deb Holloway and Glenda Cox. The first semester of speech is devoted to a study of self, one to one interactions, and small group communications. Public speaking, debate, and mass media are the topics of the second semester. The drama section is taught by Mrs. Holloway. The first semester establishes the different roles required in working in theatre. The second semester is devoted to the actual acting, designing, and writing of a theatre production. In general, drama is designed to improve the student's understanding of theatre.

HOME ECONOMICS

The Home Economics department under the direction of Carolyn Batey includes the Personal Adjustment and Family Living and the Home Economics classes.

The skills taught in Home Economics include personal grooming and care of clothing, sewing, cooking, housecleaning, and caring for children. Students look forward to the big projects such as bringing children to class for observation, and planning and cooking complete meals.

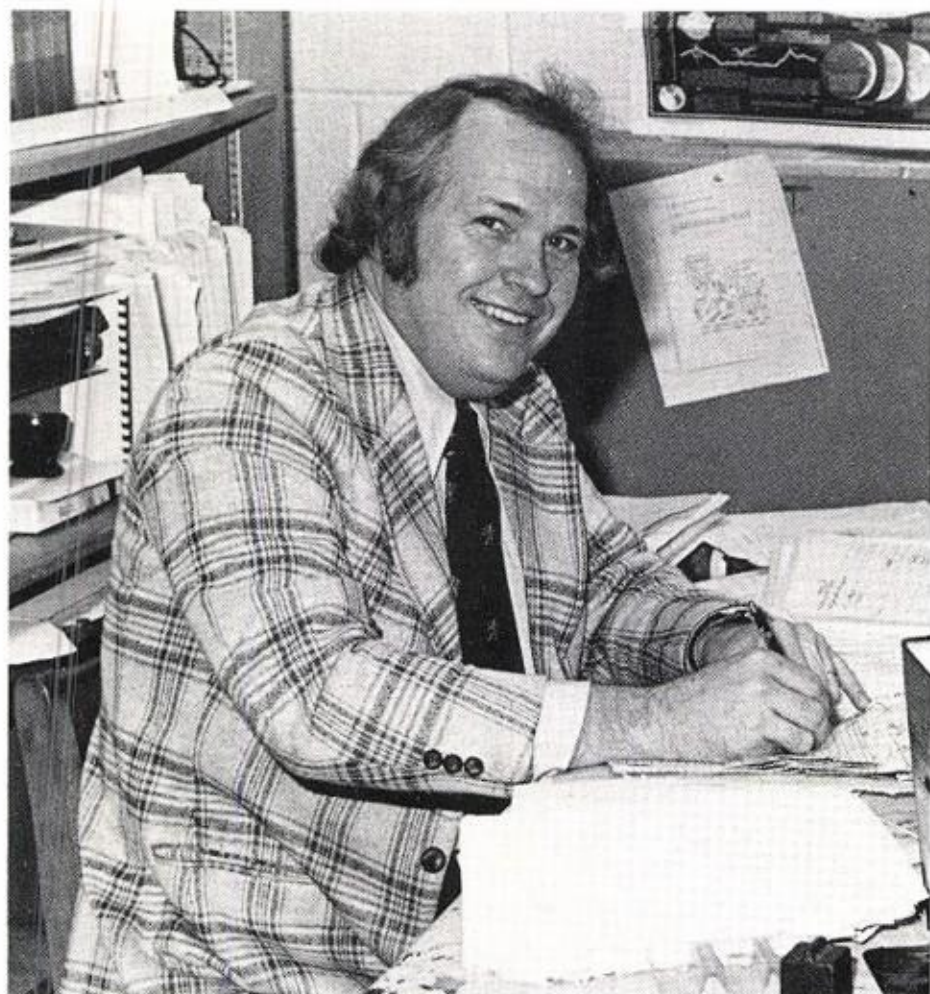

PAFL classes have gone very smoothly this year. Sharing ideas is common in these classes because the idea is to learn from each other. The main project of the year was to form an imaginary relationship with someone and to build around that. The students acted all of this out to the last detail. The projects included budgeting, clothing care, cooking, planning household chores, etc. All of this made the students realize how life will be after they graduate.

INDUSTRIAL ARTS

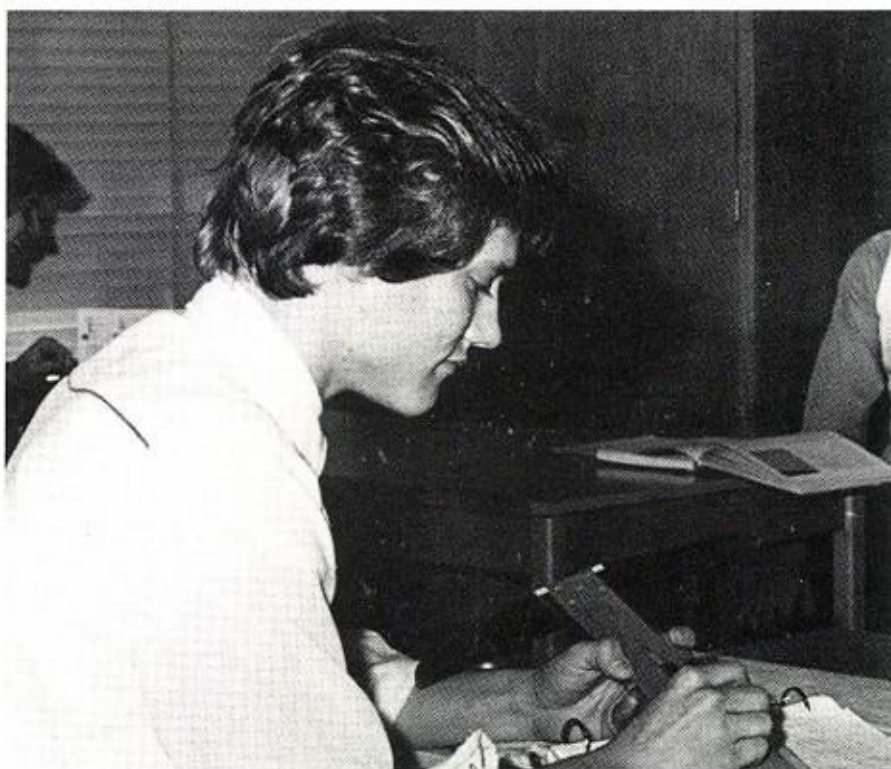

The Industrial Arts Department, headed by Don Riley, introduces students to the materials and processes, terminology and training, problems and possibilities in industry. Students are encouraged to discover and develop interests, aptitudes, and potentials in order to make intelligent educational, occupational, and recreational choices. Drafting is the language of industry: Drafting students learn to communicate graphically, to design, and to solve problems. Students learn terminology and practices of architecture, engineering, manufacturing, construction, and related fields.

Electronics is the study of principles which govern the movement and effect of electricity through various electronic devices under different circumstances.

GUIDANCE AND LIBRARY

The Library, very useful to students, offers a place for study and concentration. Since the library was expanded last year, it has become even more efficient than before. The librarians, Miss Carolyn Malhoit, Miss Carole Welch, and Mrs. Donna Shepherd, are extremely helpful to students.

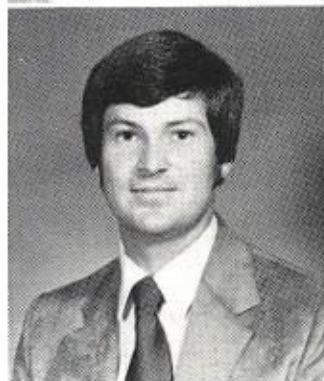

The Guidance department, headed by Mr. Bob Massey, assists students in various ways. Mrs. Evelyn Osborn, Miss Claire Pirtle, and Mr. Massey help with scheduling classes, keeping students informed about colleges and scholarships, and helping students choose a career. Our '81 Rainbow

Scattered colors highlight our high school years,
A never-ending rainbow through sentimental tears.

Red is the color that shows
that Lion spirit as it grows and grows.
Red shows us Homecoming and all its excitement —
floats being made and mums being sent.

Green is Springtime — grass and flowers —
the time before graduation when we count the hours.
As our time here grows to a close,
we think of the time and how fast it goes.

Yellow — the candlelight at our Senior banquet —
it's finally our turn and we're all set.
The bright, yellow sunshine is guiding us on —
we look around and realize we'll soon be gone.

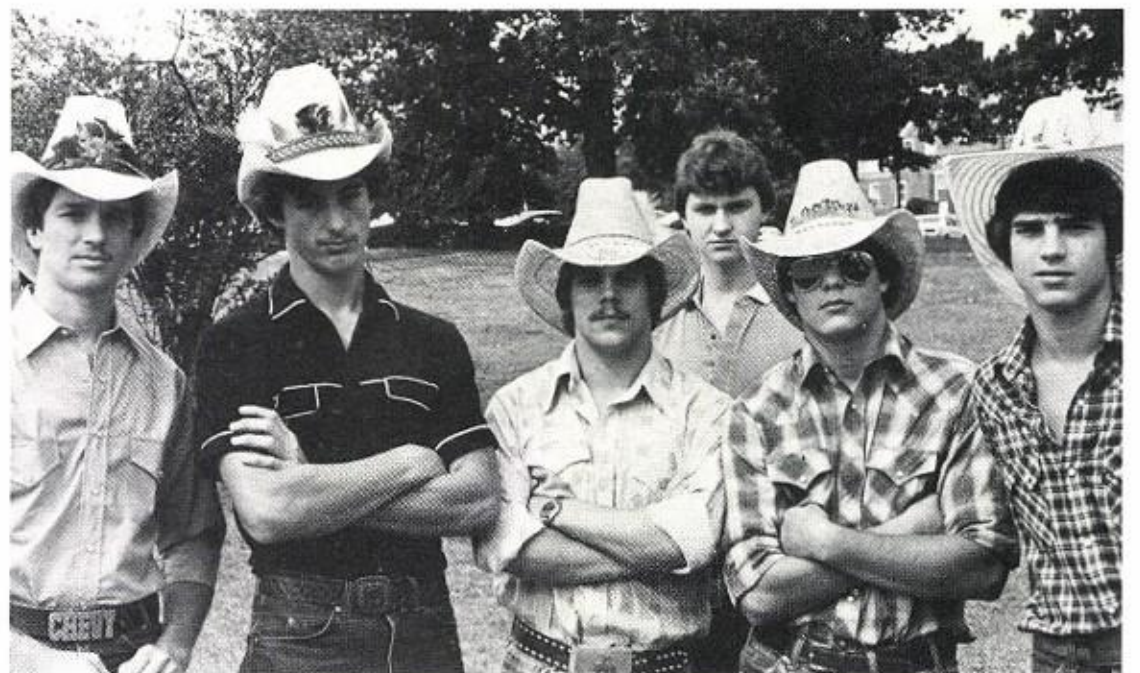

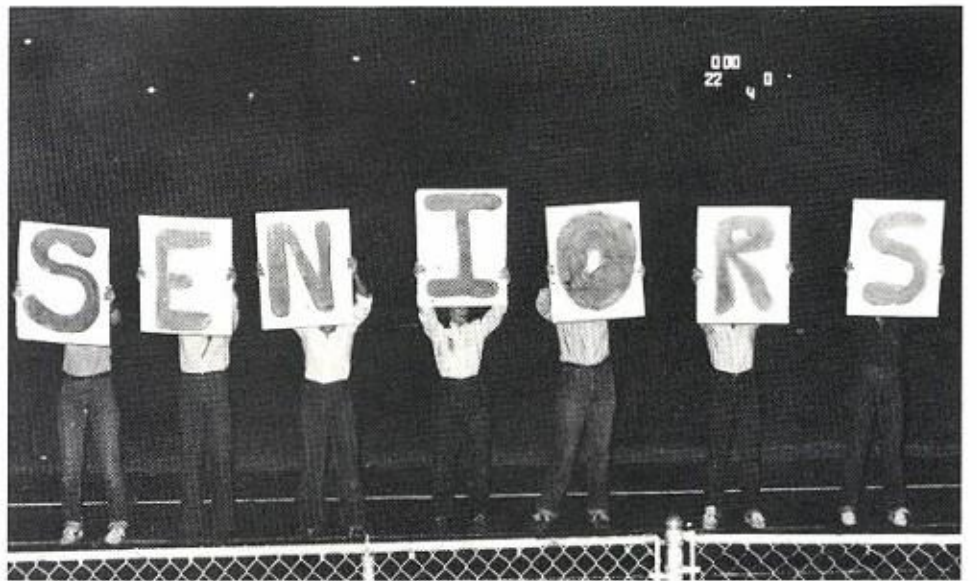

Blue — our color — that mighty Lion team —
the Homecoming pep rally, time to yell and scream,
everyone feeling so close to all —
we reach for the sky and our highest goals.

As our own rainbow leads us on through life
and we go through times of happiness and strife
we look back through our high school years
and see a never-ending rainbow through sentimental tears.

Freed-Hardeman College Is A Growing Place.

A growing enrollment, a growing campus, and a growing faculty--that is Freed-Hardeman College. In ten years, the size of the campus has doubled; enrollment has likewise increased. The faculty has grown both academically and numerically.

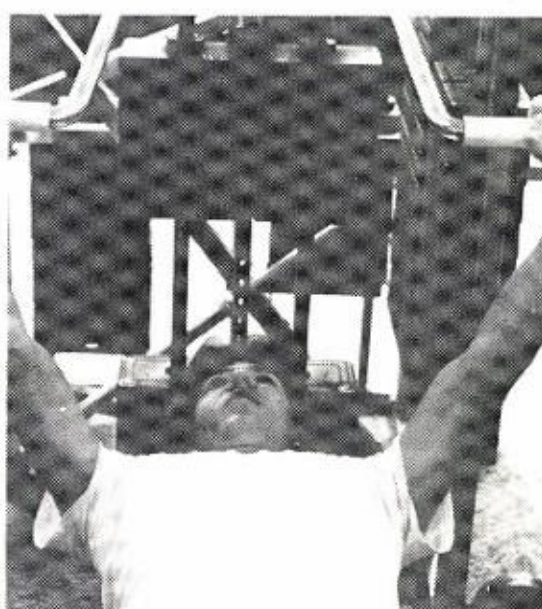

What is more important is that our students are growing too--mentally, physically, socially, and spiritually. Those are exactly the ways that you want to grow.

Visit us and you will find a college that is:

**Large enough to offer a variety of majors yet
Small enough to provide individual attention.**

**Continuing to stress character development while
Encouraging career preparation.**

**Striving to keep costs down and still
Offering an abundance of financial aid.**

College Years: A Time of Transition

When you enter college, you may leave home for the first time. Your parents won't be there to tell you what to do; you will have to be your own "boss." There will be countless details to learn and new adventures to master.

With your new freedom will come much responsibility; many decisions may suddenly be thrust upon you. They may be somewhat confusing at times. But that's what growing up is all about. Sometimes it can become a frustrating, trying experience, especially when you're away from home.

At Harding University, there is a qualified and dedicated Christian faculty who can help you to become more comfortable about making your own decisions. The professors can assist you in evaluating your personal skills and interests and finding the program that's just right for you.

They will offer as much or as little help as you want and need in achieving the transition from the student world to the professional, adult world. In addition, you will be making friends who will be a part of you the rest of your life.

The End of the Rainbow

This year at Harding Academy has been a very special one to me and I hope it has been special to you too. We on the **Shield** staff have used many different techniques on this annual. The Rainbow cover, endsheets, and theme are very different from the usual red, white, and blue. I think that the rainbow really represents Harding well. All of the colors can be either people, teachers, events, teams, or different areas in your own life. Because of the rainbow theme, we have used more color pages than ever before. We have also enlarged the student life section, a feature we hope you will enjoy.

There are many people who have done outstanding jobs this year who need to be thanked. They are: Jay Shappley and the staff at Holland Studio for their professional help; Don Burks and Jeff Story for their long hours taking and printing pictures; Barry Lumpkin for the band and chorus pictures; Gene Brady at the **Commercial Appeal**; Cindy Morgan for her artwork; the staff for their dedication and work during the Christmas holidays and on Saturdays to meet deadlines; Terri Grobe for selling more ads than ever before which allowed all of the extra color pages; Mrs. Sanders for her advice; Wendy Wagner for handling everything when I had the flu; my family for their encouragement; my friends for their moral support; and God for creating the rainbow.

Harding Academy has given us the training to find our rainbow. My wish to you is that you may follow that rainbow and attain your pot of gold.

 Basketball, Baseball, Health class & even
 thing else we have become closer & closer
 except in Health we keep getting further & further.
 with all the things we've done & got
 away with, I would equal out to life
 in prison, without pencil & paper to write notes.
 We still have a lot to talk about, and we'll
 think of more probles. Have a great summer &
 I know we'll see each other this summer.

Love ya much,

Judy,

This year has really been fun, but it's gone by so fast. I'm really glad I got to know you, too bad we couldn't have become friends earlier. We have had some great times. I'll never ~~get~~ forget Miss Elkins' love affair with Kevin Marshall! We had a great time in Speech and Health. Especially with senile Mrs. Phillips. Well, I guess I'll see you again so I won't say Goodbye, just catchya later.

Love ya,
Gerri

name. I know we've
had our differences but
I hope we can be
friends & put this behind
us. You're really behind
us, a consideration!
Love ya,

Dear Judy, Digger, Sis.

This year has been great but too bad its over too soon. This last semester or so has been very special to me. You are a super girl. You have been there when I needed you. Wish this year could stop, but then I'd never graduate. This is hard, for you are so sweet. You can't imagine how much you mean to me. I remember the day I asked you to be my little sister. Words are hard to find weight now. I'll know you're here if I need to talk. We will keep in touch while I am in college. Wish you could be there, but one day we'll meet. Well I'll be writing you notes. You are a SUPER FRIEND. Glad we ~~met~~ met, you are a sis.

In Christ,

Marcia Story
"Lil' Roc, Sis."

Judy, As much as I hate signing yearbooks I suppose I will
anyway. I'm glad I got to meet you this year. We sure had some
interesting times in Geometry this year. Always remember that
if 2 parallel lines are cut by a transversal, alternating interior
angles are congruent. This theorem will help you many times
as you go through life. Anyway have a nice summer.
Dore Anderson

Hi Judy
You're a good friend.
I'm glad you were in
Palmer's class with me
